Brandeis Study Abroad Fast Facts
- Approximately 40% of the junior class studied abroad.
- 34 students were international students studying in a location other than their home country.
- Not included in these numbers are students who studied abroad in the summer. In summer 2015, Seoul was the number one destination for students outside of the Brandeis in The Hague and Brandeis in Siena program.
- Brandeis has three exchange partnerships in Asia with Chinese University of Hong Kong, Korea University, and National University of Singapore (NUS) in addition to the Indian Institute of Science. This spring, we hosted 4 students from NUS at Brandeis.
- The approved list has roughly 300 programs for students in the academic year and summer in 64 countries.

Brandeis-led Programs:
- Brandeis in The Hague
- Brandeis in Copenhagen
- Brandeis-India Science Scholars Program
- Brandeis in Siena
