

The Committee for the Support of Teaching and the
Provost's Advisory Committee on Assessment cordially
invite you to a workshop on

"Articulating and Utilizing Learning Outcomes"

*What are the university's learning goals and how can they be used
by departments and programs?*

*What knowledge, skills, and perspectives do we expect our majors
to have by the time they graduate?*

*What is the relationship between the curriculum, teaching strategies
and learning outcomes?*

*How can faculty best utilize learning outcomes in
courses and advising?*
