President’s Message

As my first term as co-president of the Harmony Chapter of the Brandeis National Committee draws to an end, I would like to reflect on the wonderful year we had. All of our events were terrific fundraisers for a great cause. I would like to start by thanking Pat Russo for sharing this position with me. Pat brought much wisdom and stability to this position and made my job much easier. Pat, a dedicated hard worker, will continue working on our bulletin with Angie Troike and Gladie Stein.

For the 2015-2016 year, I am happy to report that we have many of the same people returning to their volunteer positions. There will be some new people joining us, and others will be moving to different assignments. It gives me great pleasure to announce that I will be sharing the co-president position with Sandy Tilis, who is a dedicated and conscientious worker.

Some of our new and changing positions are as follows: Martie Ross will replace Sharon Weiss as nominating chair. Lona Steiner will be taking over the treasurer’s position previously held by Linda Ballan. Esther Hilzer will now hold Bunny Marin’s position as assistant treasurer. Bobbie Schwinger will be handling the Book Fund previously held by Julie Greenberg and Marcia Burbank. Emily Lambariello and Sheila Mendelson will hold the membership positions previously held by Ilene Garlock and Florence Deutsch. Community Service will be taken over by Pat Emmerman and Cindy Wasserlauf, replacing Hope Lewis and Ruth Pashkin. Michele Sweifach will remain in publicity, joined by Ilene Garlock and Arline Schubert. Bobbie Herbert will be leaving the Public Relations position.

The following individuals are remaining at their current and extremely important positions: Sharon Weiss will remain as our Recording Secretary. Our Chief Financial Officer, Ruth Pashkin, will remain at that position. Judy Harris will continue to serve as Chief Information Officer. Marie Santoro and Vickie Vitale will remain as co-chairs of the Special Events Committee. Wendy Rahn and Linda Werner will continue as co-chairs of the Cultural Committee. Bunny Marin will continue at her current position in charge of contracts. Yetta Cohen will remain at her position as Member at Large. Study Group will remain the same with Beverly Grush, Marcy Kupferman and Steffi Isaac. Amy Riggi will remain as Corresponding Secretary.

I would like to thank all my committees for their organization, dedication and commitment in making our Brandeis chapter successful. Again, I would like to thank Pat Russo for guiding, and teaching me in my first year as co-president.

Please join us and become part of the Brandeis Harmony Chapter family. We always welcome new members with fresh ideas to join one of our committees.
Six years ago we took over the reins of the BNC Bulletin from Michele Sweifach. She had started the Bulletin over eight years ago, and when we inherited it, it was truly a cut and paste publication. We printed out the articles and the photos, and then we actually cut them and pasted them onto a blank sheet of paper. We brought those pages to Staples to be printed and stapled. We picked up the finished Bulletin, and then added the address labels, and then we hand delivered the Bulletin to all the members’ homes.

Two years ago we started receiving electronic copies of bulletins from other chapters. Nervously, and with the expert advice from Marv Aronowitz, we ventured into the electronic age. We were quite satisfied with our first edition and received many compliments on it. It no longer needed to be cut and pasted and hand delivered. It was now being sent over the internet by Wendy Rahn. Not only did it look better, it also saved our chapter a lot of money.

With each edition we improved bit by bit, and now we bid adieu to the BNC Bulletin, and we pass it on to the capable hands of Angie Troike. As you can see, the format has already changed, since the last two issues were assembled by Angie. She is very tech savvy and has programs that we do not have. We are certain that the Harmony Chapter Bulletin will be one that other chapters will admire and try to emulate, and that we will be proud of.

It’s been an adventure for us, and now it’s time to pass the torch on. We wish all the best to Angie and her co-editors, Pat Russo and Gladie Stein.

Arline Schubert and Morrine Greene

Editor’s Note: Thank you Arline and Morrine for sharing your expertise with me in preparing for this position. I appreciate all your efforts. Pat, Gladie and I will strive to continue your enthusiasm and conscientious efforts.

Sincere Appreciation
To Current and past members of the Community Service/Social Justice Committee

We thank you for the support, encouragement, ideas, leadership, hands on help, availability, team effort and spirit for the benefit of community. You are amazing women, caring and giving. You always look for ways to help fellow human beings in times of need. We celebrate having had the privilege of co-chairing this committee and working with you for more than 10 years. The Community Service/Social Justice Committee has grown and been successful because of each of you. We thank you from our heart.

We wish Pat and Cindy, our successors, good luck as they begin their journey as co-chairs of the Community Service/Social Justice Committee for BNC - Harmony Chapter.

As Margaret Mead said, “Never doubt that a small group of committed people can change the world. Indeed, it is the only thing that ever has.”
The autumn 2015 coat drive to benefit the clients of the Jackson Food Pantry will be expanded to include children’s coats and jackets. As requested by the Jackson Women of Today, we ask you to keep this in mind as your grandchildren outgrow their outerwear.

American Cancer Society Relay for Life. BNC - Harmony Chapter women volunteered our time and expertise to help with registration, survivor dinner, luminaria bag filling and accounting. The Relay took place at Jackson Liberty High School.
Oceans of Learning/Reading Buddies was brought to Ocean County in 2007 by the Community Service/Social Justice committee members of BNC Harmony Chapter in conjunction with the Retired Senior Volunteer Program (RSVP). Weekly, during the school year, volunteers from Harmony Chapter, Four Seasons at Metedeconk, and the greater Ocean County community, read to small groups of early childhood students who attend schools in Jackson and Lakewood. In addition to developing relationships and reading to the children, two book give-aways are held for the children each school year. The children are able to choose two books at each of the give-aways that are gifted to them with funds from a grant written and administered by RSVP. The great success of this program is due to the many volunteers who have offered their time and expertise throughout the years. These photos are of the 2014-2015 Jackson volunteers at the Crawford Rodriguez school and the Lakewood students at the Ella G. Clark school.

FRA is a non-profit organization that helps people with disabilities to reach their greatest level of personal achievement and independence. These services include developmental education, home therapy, recreation activities, family support programs, workshops and assistive technology services. All Metedeconk residents get to clean out their closets twice a year and drop off used clothing in the clubhouse parking lot. The van in the pictures was well stocked less than an hour after the drive began!

We are proud to announce that, in addition to our many monthly community service projects, we have a number of ongoing services.

“Empowering women to be self-sufficient and free from violence,” Dottie’s House is a safe haven for abused women and their children. It is in need of gently used dress clothes as part of our “Dress for Success” program. If you’d like to contribute, call Marie Santoro at 732-276-5393.

We are maintaining a database of baby and medical equipment in the Metedeconk community that is available for temporary use by others in the Metedeconk community when needed. Call Carol Winkler at 732-928-8338 if you have something that you are willing to share.

Making a difference in children’s lives is what Reading Buddies is about. In addition to the ongoing reading sessions at Jackson and Lakewood schools, our RSVP grant money allows us to provide the children with free books twice a year. See article on Reading Buddies on page 5. Call Cindy Wasserlauf or Pat Emmerman if you can help in this vital program.

With every major event in the clubhouse, the community service committee is collecting nonperishable food items for the Jackson Food Pantry. This is a convenient way to make a contribution. Please look for the food basket.

Our newest endeavor is still under construction. Sunrise is a nearby nursing home that uses volunteers in many ways. Marie Santoro and Hope Lewis are heading that up.
Mad Science brought fun and amazement to our ballroom with real life wizardry. What fun we had as we watched Mad Mark demonstrate so many wonders of science! Much thanks to facilitators Sandy Tillis and Estelle Levy for making this event so successful. And thank you to the “lab tech” volunteers – Ruth Cooper, Tina Grossman, Marie Santoro, Harriet Shapiro and Vickie Vitale.

On Thursday, April 9th we visited the Seeing Eye in Morristown, N.J. People in need come from all over the U.S. and Canada to The Seeing Eye for a dog. After, we had lunch and shopped at the Short Hills Mall.
One of the hidden jewels of Hamilton, New Jersey, Sayen Gardens is a place of exquisite beauty and hidden gardens. On a cool, cloudy day in May, twenty-six Brandeis women walked the winding paths to explore the hidden gardens with beautiful displays of yellow iris, rhododendrons, purple allium, white peonies and more.

Lucille Roussin
Specialist in Retrieving Stolen Holocaust Art

The recent movies, “Woman in Gold” and “The Monuments Men” spotlighted the problem of restoring art work stolen in the Holocaust to their rightful owners. Lucille Roussin, the speaker for the evening, is the founder and Director of the Holocaust Restitution Claims Practicum at Cardozo Law School and also teaches a seminar on Remedies for War Time Confiscation. Her law practice is primarily devoted to restitution of property taken from Jewish families during the Holocaust, particularly Jewish ritual objects.

Thanks to Marlene Labelson for planning this enlightening event and to her committee, Sandy Titis, Marcy Kupferman, Marie Santoro, Linda Ballan and to Donna Penziner for the sumptuous home baked pastries.

TRENTON HISTORICAL TOUR

On April 20, we toured the magnificent State Legislature, the Governor’s Office, and other Executive branch offices. Following lunch, we met at the nearby Old Barracks Museum, historic landmark built for British troops. During the American Revolution, the Barracks housed British and Hessian soldiers and Continental troops, and served as a Continental military hospital from 1777-1783.

Mah Jongg, Canasta and Rummikub Tournament
By Marlene Labelson

On April 21st, Brandeis members, friends and community residents joined our Mah Jongg, Canasta and Rummikub Tournament that was held in our beautiful decorated ballroom. It was a fun-filled evening of competition and camaraderie coupled with great snacks.

Along with fundraising, all proceeds are designated for Science Faculty Research in Neurodegenerative Diseases, our goal was to make it a delightful evening for all. Sixty-one women participated in the event. Our first place winners were Anita Bronfeld in Mah Jongg, Linda Myers in Canasta and Rosemary Galella in Rummikub. Our second place winners were Nedra Eagle in Mah Jongg and Marcia Burbank in Canasta.

Special thanks to Marvin Aronwitz for his technical genius in keeping all our scores and progress absolutely perfect. We would like to thank our supporting team composed of Dale Fishbaum, Marie Santoro, Vickie Vitale, and Beverly Rudick.
The annual Book and Author Luncheon presented by the Harmony Chapter of Brandeis was held at the beautiful Shadowbrook in Shrewsbury, NJ. What a wonderful day it was! Two hundred fifty women arrived and were treated to a glorious bounty of foods in the most elegant surroundings.

The featured author, Alyson Richman, then spoke about her former book, *The Lost Wife*, as an introduction to why she wrote *The Garden of Letters*. As a historical novelist, her research is thorough, visiting the setting for the novel several times, taking photos, interviewing people who lived in the time or knew people who lived in the time, speaking to people who actually participated in the events, what people wore, ate, did, felt, etc. An art history major in college, art runs through her books not only in the construction of her writing but also in the themes of her books.

Our eleventh Book and Author Luncheon was a great success thanks to co-chairmen Sandy Tilis and Marlene Labelson, our photographer Arline Schubert, greeters Naomi Blum, Marcia Burbank, Ruth Cooper, Estelle Levy, seating arrangements Arline Schubert, Nancy Nurko, Lorraine Schwartz, Treasurer, Ruth Pashkin, and a special thanks to the Special Events/Fund Raising Committee presided by Marie Santoro and Vickie Vitale.

On June 11 we traveled to Tarrytown, New York to tour the beautiful Rockefeller Estate. The 40-room house, with original furnishings, on 4000 acres, was home to four generations of Rockefellers. Classical, modern and Chinese art were on display in both the house and gardens. After lunch on the estate, we went to nearby Union Church where we saw 9 magnificent stained glass windows by Marc Chagall and the last work of art, a stained glass window by Henri Matisse.
