President’s Message

The Harmony Chapter is overjoyed that our chapter was selected for the coveted Louis D. Brandeis “Chapter of the Year” award for 2015-16. This award reflects the hard work and dedication of our members and the plethora of program offerings we have created and enjoyed over the past year. It also acknowledges the expanded community service/social justice programs that provided donations, service assistance and good will to the entire Jackson community.

This year activities for the Harmony Chapter are well under way. With 243 members participating, there are plenty of varied opportunities to enjoy interesting cultural, social and educational offerings. Whether a member is interested in reading short stories, watching a thought provoking flick or taking an exciting trip to the Whitney Museum or St. Patrick’s Cathedral, there is a unique experience for everyone.

The Reading Buddies Program commenced in October with the hope of expanding from one school to two in Jackson. There were successful summer collections for school supplies, food and household necessities for the Jackson Food Pantry, eyeglasses for the needy and I pods for the seniors at the Sunrise Assisted Living Facility. Members donated their time to Relay for Life and volunteered to assist at the senior assisted living facility. We are grateful to live in such a generous community.

When asked to explain what is so extraordinary about the Harmony Chapter of Brandeis, there isn’t a moment of hesitation. Our members have a special energy that spurs them on to offer their talents for every task needed. Volunteers step up to help with planning, organizing, decorating, collecting, setting up and participating in dozens of events throughout the year. We are blessed to live in a community filled with the spirit of giving and with members who have the talents, skills and motivation to enrich themselves and others.

We are blessed to be part of this wonderful organization and on behalf of the Harmony Chapter of Brandeis, Sandy and I say thank you to every member for their effort and to the Four Seasons Metedeconk Community for their generosity and continued support.

Louis Awards & Chapter of the Year

CONGRATULATIONS BNC CHAPTERS!
SHARE YOUR SHINING MOMENT.
It is with much excitement and pride that we announce that our Harmony Chapter of Brandeis University has been notified it received the coveted 2015-16 Louis B. Brandeis Chapter of the Year Award.

The Harmony Chapter at FSML has grown tremendously to 243 active members who participate in a vast array of educational and cultural offerings and provide an exploding number of community services. We thank all the women who tirelessly support our chapter, including those who facilitate wonderful trips, special events, study groups, and designated events, conduct collection drives for the poor and our servicemen, those who keep our finances on track, recruit new members and those who create beautiful bulletins and write informative articles to share all that we do.

We thank all of our members who support the Harmony Chapter of Brandeis. These wonderful women made it possible for us to be recognized by the Brandeis National Committee for our excellent work.

Congratulations for a job well done! We are an award winning chapter!

With gratitude and admiration,

Pat Emmerman, co presidium 2016-18
Marlene Labelson, co presidium 2015-16
Sandra Tilis, co presidium 2015-2017
Dear Sandy,

On behalf of the Board of Trustees and Property Management, congratulations to Brandeis on this award! The Metedeconk chapter does such wonderful work and your members put in a lot of time and effort. It is great to see that your accomplishments are recognized by the Brandeis National Committee. What an achievement!

Sincerely,

Lois M. Montgomery

We are very excited about winning this award. Our women are bright, innovative and energetic and have created a thriving, “award winning” chapter. We believe that our chapter adds so much to the quality of life here at Metedeconk and to the community. Thank you so much for the recognition and your constant support.

BNC’S UNIVERSITY ON WHEELS COMES TO CENTRAL NEW JERSEY

Ilene Garlock

On September 20th members from seven Brandeis chapters in Central New Jersey attended a luncheon at the Radisson Hotel in Freehold. The guest speaker was Dr. Thomas Doharty, professor of American Studies and Chairman of that department at Brandeis University. Among the seven courses that he teaches is Television and the American Culture.

The first Golden Age of Television was in the 1950’s. Much has changed since then. We are now in the Second Golden Age of Television which started in the late 1990’s. With new technology television esthetically looks much better than in the past. Shows like Breaking Bad, Game of Thrones, and Mad Men are more like a novel. Their stories and characters are complex. With cable television shows are free from censorship. Because of all these changes movie actors have moved to television.

It was a wonderful afternoon. We learned so much from Dr. Doharty.
Step up! Be an Integral part of our Team! Reach out! Volunteer! Get involved in our Award Winning Chapter. The Bulletin has presented articles about the workings of the Board and its appointed positions. Hopefully, these articles have inspired you to volunteer, keeping this Brandies Chapter vital, growing and exciting

The following is a list of the committees and contacts:

**Special Events Committee** - Please contact Marie Santoro

Plans large, special events to which the entire community is invited – i.e. Book and Author Luncheon, Card and Mah Jong Party, etc.

**Community Services/Social Justice Committee** – Please contact Cindy Wasserlauf, Joyce DeSiena or Gloria Dino-Guida if you intend to come

Plans and facilitates charitable functions – i.e. Reading Buddies, clothing and food drives, book collections for people in the armed services, visiting nursing homes, etc.

**Study Guide Committee** – Please contact Marcy Kupferman  Plans and facilitates the many study groups offered in our biyearly Study Guide

**Cultural Committee** – Please contact Linda Werner  Plans and facilitates cultural trips – i.e. museum visits, theater, places of interest

We would love to have you. “It takes a village.”

OUR COMMITTEES
Ronald McDonald House of Central & Northern New Jersey provides a ‘home away from home’ for families with seriously ill children while they receive care at nearby medical facilities. Their house and family room offers a comforting surrounding where family members can stay together during a time of uncertainty and stress. We select two days during the year to provide food and gift cards.

American Cancer Society (ACS) Relay For Life of Jackson is an event held at the Jackson-Liberty High School football field in May. ACS’s goal is to save lives by supporting education and prevention efforts, funding groundbreaking cancer research, and providing free information and services for people with cancer who need them. We volunteer at the Relay to help with registration, accounting and welcoming.

New Jersey Department of Children & Families ensures the safety, well-being and success of children, youth, families and communities. BNC will hold a school supplies drive (June, July) and a hat, glove & scarf collection for children (late Fall) for the Division of Protection & Permanency.
**Jackson Food Pantry** is operated by the Jackson Women of Today. It is located at 10 Don Connor Boulevard in the Department of Public Works’ Building. The Pantry distributes food to low income and unemployed households. In May of 2015 the Pantry served 141 households. BNC holds food collections, a coat collection and we adopt households for the Christmas holiday. We also have a pet food & toy collection.

**Reading Buddies** is a program under the umbrella of the Retired and Senior Volunteers Program (RSVP) of Ocean County. Reading Buddies read once a week, during the school year, to first graders at the Crawford-Rodriguez School in Jackson. We also hold book giveaways in December and May for the students. They select two soft covered books to keep. Money for the books is provided by a grant for this program.

**Providence House** Domestic Violence Services of Catholic Charities provides services to survivors of domestic abuse and their children in Ocean County. They seek to end the cycle of domestic abuse through education, empowerment, and advocacy while providing a safe haven. We support their work by collecting household products and clothing.

**Dottie’s House** is a transitional housing facility here in Ocean County designed to aid women and children who have survived domestic violence. At Dottie’s House families are helped to develop the life skills needed for financial self-sufficiency and emotional independence. It was founded in 1999 by Carol Wolfe. She is the Executive Director. We support their work with an ongoing Dress For Success Clothing Collection and a linen and toiletry drive.

**Family Resource Associates (FRA)** is a N.J. non-profit agency located in Shrewsbury helping children, adolescents and people of all ages with disabilities to reach their fullest potential. FRA provides home-based early intervention for infants, therapeutic recreation programs and assistive technology services, along with family and sibling support groups. It serves Monmouth and Ocean Counties. We have two clothing drives during the year to support their work.
**Sunrise Senior Living**. Beginning in February 2016 members of the Brandeis Community Service/Social Justice Committee have been volunteering at Sunrise Senior Living in Jackson. Whether on a weekly basis to help with an ongoing activity such as daily walks, and crafts The staff also needs help when the residents go to nearby stores as well as places like Atlantic City, Laurita Winery and Freehold Raceway. Happily the residents are enjoying our being there and the staff is very appreciative of the assistance we provide.

**Mags– Metedeconk Animal Group Services** The Community Service/Social Justice Committee of Brandeis has formed a new group: MAGS Metedeconk Animal Group Services. We will be the voice for those who have none and to fill a void in their lives as well as ours. This can be accomplished through volunteering at Animal Shelters, collecting comfort items: linens (towels, blankets, bedspreads) toys, food, etc. And educating the community on Foster Care and Adoption and organizations such as Caregiver Canine and K9 For Warriors.

**Operation Paperback** is a non-profit organization incorporated in the state of Pennsylvania. Collections of gently-used books are sent to American troops overseas as well as to veterans and military families here at home. The money covering the cost of packaging and mailing the books was provided by RSVP of Ocean County. BNC collects and packages the books residents of FSML donate.

**New Eyes For The Needy** has provided clear vision to over eight million people in the U.S. and throughout the world since 1932. They provide new prescription eyeglasses for U.S. residents in financial need and distribute used glasses to the disadvantaged in developing countries.

I would like to thank every one for their generous heartfelt response for school supplies. You amazed us with your support. The expressions of gratitude and surprise on the faces of the social workers at the agency cannot be described. It took numerous trips by five people to unload my car. Unfortunately we were not permitted into the offices to take pictures, so the ones from my entrance way will serve as an indication of the volume collected. Fortunately the Sanibel has a long entry way.

It was my pleasure to work with my neighbors and this agency once again and I look forward to repeating the hat, scarf and mitten collection for this holiday season. Together with the agency, we cannot say thank you enough.

Linda Ballan
August 22, 2016

To all those at Four Seasons at Metedeconk Lakes and BNC- Harmony Chapter Service and Social Justice Committee:

The Division of Child Protection and Permanency Ocean South Local Office would like to thank Linda Ballan and each and every one of you for donating school supplies to our office. We realize that you donated your money and your time when you purchased those supplies, for which we are so grateful.

Often the workers in our office feel so bad for the children we serve that they often use their own money to purchase supplies (even when they have their own families to support). The workers were amazed when they were called into a conference room and found tables filled with supplies of all kinds. Workers repeatedly inquired about who donated the items and then asked me to thank you, as we have never had so many school supplies before.

Our office is the second busiest office in the state, with the largest area to cover. Our population continues to grow and change, and sometimes the work is overwhelming, exhausting, and sad.

However, it is people like you who remind us that we are not alone. They say it takes a village to raise a child and we want you to know that we are so appreciative of your generous village.

Scott Adams once said, "remember there's no such thing as a small act of kindness; every act creates a ripple with no logical end." Your kindness not only helped countless children, you gave us a reason to smile and faith that there is good all around us; the ripple will never end.

A million "thank you'd" are not enough

Respectfully.

Margie Swayze
Resource Development Specialist
For the second year, BNC will be holding a holiday collection for hats, scarves and mittens for the Division of Child Protection & Permanency. The Ocean South office is the second busiest in the state serving about 1,300 families. Ages of the children range from infancy to young adults. They welcome any new item. The items are placed on a tree and our contributions continuously decorate the tree for a child’s selection. The tree remains up past the holiday until there are no longer items to distribute.

There will be a box in the clubhouse lobby from October 28-Dec 4. Our community supported these young clients with a wonderful selection of school supplies. Hopefully we can help keep the children warm for the coming winter. Thank you in advance for your generosity. Should you have any questions, please feel free to contact me.

Thanks,

Linda Ballan

The Community Service/Social Justice Committee would like to take this opportunity to formally thank you for your continuous support of our Ronald McDonald House project. You have “MET THE TASK” by collaboratively supplying generous gift cards, Wish List items, and prepared meals. They were especially excited to see the numerous cases of water that we brought since that was on their immediate shopping list.

Most recently Brandeis 'Harmony Chapter received a thank-you letter from the Ronald McDonald House substantiating that we have made a difference. The following excerpt exhibits their appreciation of our generosity and sincerity:

“By helping alleviate the emotional stress and financial hardships during a time of crisis we enable families to focus on helping their child heal. Because of your generosity we can continue to be a permanent source of strength for families coping with the crisis of caring for a seriously ill child.”

The community did an outstanding job. Once again thank you for supporting a very worthwhile cause.

Dear Ms. Weiss,

On behalf of the children and families of the Ronald McDonald House of Central & Northern New Jersey, I would like to take this opportunity to formally thank you for your generous donation of gift cards, Wish List items, and prepared meals. Your contribution will make life a little easier for families and children at our facility and we cannot thank you enough.

When families are suddenly faced with critical care emergencies, the first thing parents try to do is provide them with the best medical care possible, but children with life threatening conditions need more than good medical care. They need their parents close by for comfort and reassurance. Families travel great distances to bring their children to pediatric medical centers. The Ronald McDonald House provides a respite for comfort and reassurance. Families stay for as long as their child is being treated. Every day of the year families are offered a warm comfortable room, access to a fully stocked kitchen, and a supportive environment. By helping alleviate the emotional stress and financial hardship during a time of crisis, we enable families to focus on helping their child heal.

Because of your generosity we can continue to be a permanent source of strength for families coping with the crisis of caring for a seriously ill child.

Sincerely,

[Handwritten note: Thank you for all of your wonderful donations and the continuing support.]

Please consider this letter official receipt of your tax-deductible contribution on September 29, 2016 in the amount of $0.00. No goods or services were provided to you in consideration of this gift. Our federal tax identification number is 222-715-5+4. This organization is a 501(c)(3) tax exempt organization. IRS Section 170(b)(2)(ii) for both federal and state tax purposes.

New Eyes for the Needy

Since 1932, New Eyes for the Needy has improved the vision of over 8 million poor people throughout the world. Thank you all for your generous donations. Our community collected over 200 pairs of glasses.
The food collection for the Jackson Food Pantry, located in town, started early Saturday morn, July 9th as the first person arrived at 8:45am. The weather started out a little dismal, humid, breezy and spritzing, but cleared up within an hour. Seven of the BNC ladies greeted many cars as they arrived with donations. At 11am approximately 65 bags, cartons of food, and many plastic bags were delivered to the food pantry. Many thanks to the community for their generosity and to the BNC volunteers for their valuable time!
OPERATION PAPERBACK, a non-profit, tax exempt organization, began in 1999, sending its first book shipments to Kuwait and Saudi Arabia. In addition to overseas locations OPERATION PAPERBACK, provides books to wounded warrior programs and veterans hospitals located within the United States, as well as USO centers at US Airport transit points and military families.

The Community Service/Social Justice Committee sent Metedeconk’s first shipment of books to our servicemen and women in 2005. Currently, the CS/SJ committee works in collaboration with the Retired Senior Volunteer Program (RSVP) of Ocean County on what has become our 9/11 service project. This year at Metedeconk we collected then shipped over 700 adult books, 35 cartons, in addition to 7 cartons of children’s books.

We will schedule this project again in September, 2017. Please remember to save your paperback books for this worthwhile cause.

WE PARTICIPATED, LEARNED, LISTENED, ENJOYED, WERE AWED.
Pictured are the beautiful Brandeis ladies who participated in our 12 week Musical Theater class. Nancy Carole taught them a routine set to a popular upbeat show tune.

**FLIX**

One of the most popular Brandeis study groups is Flix. Some of the movies that we watch are serious and others are fun. We met on June 17 to watch the last movie for this session. This one was fun.

Advanced Style is a documentary about older New York women who dress not only stylish but creatively. They ranged in age from 60 to 95 years old. They don’t feel the need to conform and live their lives to the fullest.

Some of our members came to the movie dressed very creatively, each in their own style. At the end of the movie we had a very interesting discussion let by Beverly Sankovsky.
**THE JERSEY SHORE**

On July 11\textsuperscript{th}, Kevin Woyce, author, photographer and lecturer, shared a fascinating account of the coastal history of the New Jersey Shore.

**CHINESE FACE READING**

Anthony Dissen explained the ancient art of face reading. According to face reading principles, your skin color, skin irregularities and bone structure can predict the health of different organ systems !!!
BRANDEIS’ “MORNING OF MUSIC”

Once again Alan Wasserman, FSML resident and pianist, captured the audience with his musical prowess. He was able to integrate his knowledge of American jazz and classical composition into his most recent August 31, 2016 piano recital. Everyone left wanting to hear him perform again.

WHO REALLY SELECTS THE PRESIDENT

On September 5, Susan Addelston, dressed in her “president” tee shirt, spoke to an audience of 85 people informing us, in the most knowledgeable and entertaining way, about the election process from the primaries to the Electoral College. The audience graciously donated dog and cat food, etc. for shelter animals.

SHELLY STRICKLER

Shelly Strickler, award winning WOR Radio journalist presented “The Media Revolution: From Teletype to Twitter”. Her lecture, filled with interesting personal stories and film clips, covered the history of how news was gathered and distributed beginning with smoke signals and drums up to today’s twitter. She spoke about carefully fact checking the information we receive from the media. Where will technology be in the future?
MANDIR TEMPLE

On July 21st, members of Brandeis were treated to an amazing visit to Mandir, the Bochasanwasi Akshar Purushottam Swaminarayan Sanstha (BAPS) Shri Swaminarayan temple. This is the first phase of what will be the world's largest Hindu temple and it is located in Robbinsville, NJ. When we entered the building, you could hear the gasps from our group, (as we were met with a totally carved marble temple 42 ft. tall and 87 ft. wide) that was completely enveloped by the outside structure. Many of us have never been to India, but this might be the closest you can experience a bit of the culture without the long flight.
ST PATRICK’S CATHEDRAL &
THE METROPOLITAN MUSEUM
OF ART

On August 11 a group of Brandeis members traveled by bus to St. Patrick's Cathedral and the Metropolitan Museum of Art. The newly renovated cathedral and the costume/fashion show at the Met provided a wonderful day enjoyed by all.
THE METROPOLITAN MUSEUM OF ART
A glorious day!! Historic tour of Asbury Park with Asbury Park Historian Werner Baumgartner. Then a tour of the Steven Crane house.
