Dear Friends,

This is one of the best times of the year to greet all of you and share what's going on in the Chapter. I hope that your summer has been outstanding. First, I want to say that I am so excited to be your new president, and I am looking forward to the next two years. I know that we will accomplish great things together.

We had a large turn-out for the installation, and I thank Janet Atkins who made me feel welcomed as the new President. And--let us not forget Joyce Mendel who went "above and beyond with her songs about all the officers and committee leaders. She really livened up the installation and made it so much fun. Great job, Joyce!! I don't believe our members and guests have ever felt "closer".

So, we now have a new Board, and we're ready to get down to business. Our Board meetings will take place on the first Monday of every month at Denny's Restaurant and everyone is welcome. I am excited and looking forward to working with all of you.

Our Chapter continues to grow as we welcome new members. Janet Atkins is now the Vice President for new members, and I know that she will be amazing. The meeting place for the New Members' Luncheon planned for September 5th has been changed. It will now be held at Vineyard Center on Fairway Drive. I would also like to thank Janet Atkins and Mindy Frankel for their work on planning Showcase 2017 which will take place September 13 at the Villages. We have a wonderful speaker scheduled, Larry Gerston, who will be thought provoking and humorous.

I can't thank Judy Eskinazi and Yetta Miller enough for their support and sharing their invaluable experiences and information about the Chapter with me. Thank you! Thank you!

We welcome Judith Kernoff as our new webmaster. Our website, www.santaclarabnc.org is being updated and will be easier to use and offer more information.

Make your voice heard! Come to our open board meetings.

Review:

“A soaring celebration of the human spirit. The Prince of Egypt features a dazzling multi-ethnic cast in one of the greatest stories ever told: the saga of Moses and Ramses, his Pharaoh brother, and the indomitable people who changed them both forever. Inspired by the lovely DreamWorks Animation film and featuring a score that includes the Academy Award-winning “When You Believe” by the composer/lyricist of Wicked, this breathtaking journey of faith and family is the must-see event of the season.

In the month of May the Museum Study Group visited

The Legion of Honor to view the Monet show. An unusually large number of members joined the trip making three carpools, all full. Many thanks to our volunteer drivers, Liz Dietz, Barbara Levine, and Judith Kernoff. The show was excellent with a comprehensive collection of paintings completed in the early years of Monet’s career.

TRIBUTE TO HERB MELTZER

Herb, a 90-year-old Santa Clara Brandeis Committee enthusiast, passed away in his sleep on July 3, 2017. Herb and his energetic wife, Marilyn, were married for 66 years and made Brandeis their project from the day they joined. When Marilyn became president of our Chapter, Herb became editor of the Brandeis Bulletin. He edited and designed the then-monthly Bulletin for about 16 years, never once failing to have it out in time. Another of Herb's solo projects was as treasurer of our Committee. Neither he nor Marilyn ever missed a board meeting when they were in town.

For many years they sold Entertainment Books as one of our Chapter's most profitable fundraisers—in fact, The Entertainment Book Company gave them a $1,000 check for selling more Entertainment Books than anyone else in the country. They were a great team! Marilyn was the marketer and Herb kept accurate records of the sales. Wherever they went, they wore their Entertainment badges. They kept the books in the trunk of their car and forever sold them to everyone they saw. They gathered a list of customers whom they contacted year after year. They even ran a matching fund program where IBM matched the profits of donations made to Brandeis. Those two were whirlwinds! Where you saw one, you always saw the other.

Herb lived a wonderful life! He got to travel to almost everywhere in the world except Antarctica, he said; they volunteered at playhouses and at the local airport. They saw almost every play and, when he retired from IBM, they were out day and night dancing or enjoying shows, plays and discussions. He was fully sharp until the last few days of life. To quote his son David, "My family was exceptionally lucky to have such a wonderful, brilliant and honest person as a father, grandfather and a role model. Herb leaves behind a delightful family: wife, Marilyn; sons, Scott and David; daughters-in-law, Kathy and Mary Ann; and grandchildren, Cody and Carly.

Herb, we'll miss your bright face, your great participation in our functions and your fantastic debating techniques, keeping us all on our toes. There was only one Herbert Meltzer, and we were fortunate to have him as a member of the Santa Clara Valley Brandeis Committee and our friend.
