Mission Statement

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish community. Its membership is connected to the University through fundraising and through activities that reflect the values on which the University was founded: academic excellence, social justice, nonsectarianism, and service to the community.

### It’s Time to Pay Your Dues

Here’s the easy way to do it: **Pay on Line** if you haven’t already sent it to the National Office

http://www.brandeis.edu/bnc/

On the lower right hand side of the page it says: **Join/Renew Now (in orange)** - just click on it and follow the directions… it’s that simple!

If you have paid your dues but do not see your name on the list on the next page, please do not be concerned. The National office is about a month behind in processing the renewals which they have already received. Be patient - I will put this in every Up to the Minute for the next 4-5 issues.

I appreciate that so many of you have sent your renewals directly to National or have already renewed on line. You are saving me a great deal of paper work by not sending it to me. **New members** should follow the directions in the upcoming bulletin and send dues to me.

Thanks so much - Judie Brown

Dear BNC Members,

In our enthusiasm to announce our new scholarship campaign, we sent out an email informing you that BNC would be championing one of the highest priorities for Brandeis University. We had called it the Catalyst Fund: In Support of Student Scholarships to go along with the University's campaign, but the more we thought about this name for our new campaign, we realized that we wanted to keep better track of our BNC scholarship gifts and make it clear that this was the BNC scholarship campaign.

So simply put, our new initiative is called the **BNC Scholarship Campaign**. Our goal over the next two years is to raise $1 million dollars for the campaign to provide scholarships to ensure that the best and brightest students are able to enroll at Brandeis. We appreciate your support.
