A report on the State of Our Chapter

BNC Wycliffe - Chapter is thriving in all areas!

Our study groups have been well subscribed and well attended. Positive feedback has been excellent.

Membership continues to increase, as new residents become new members. Most important—our members are enthusiastic and involved.

On January 29th, a group of us attended a luncheon for “Sustainers”—those who gave a substantial donation to the Sustaining the Mind Campaign. This luncheon alone raised $112,000 for the “Sustaining the Mind” campaign.

From June 2nd to June 4th 2015, several of us will be attending a Leadership Workshop for BNC, at Brandeis University, in Waltham, Mass. We will have tours of the campus, including the research lab which has received generous contributions from BNC members. We will meet with staffs from the university and the BNC. We welcome the attendance of all those who want to commit to active positions of leadership at Wycliffe BNC. If you are interested in attending, please contact me for more information.

Thanks to those of you who take your Brandeis responsibilities, from board positions to study group coordinators, so seriously. You make it happen.

Save the date—April 20th—for our closing brunch and installation of officers.

Sustaining the Mind:
Scientific Research and Scholarship
Your support of this on-going
campaign has provided Brandeis professors
and students with the tools to understand the
fundamental biological processes underlying
brain function, as they continue their
research into the neurodegenerative
diseases.

With the fund raising campaign coming
to a close, I am proud to report that our
chapter has raised almost $50,000.00. This
could not have been done without the
support of our members, by their attendance
at designated fundraising events, and by their
significant donations over the years.

Thank you for taking this campaign to
heart. If there is someone you wish to honor
or remember, I will be glad to accept your
donation in any amount. Donors of $100.00
(or more) will be recognized at the closing
event. Please e-mail me at zmfl@aol.com
or contact me by phone (561) 791-6441
