BNC Program Resource Portfolio

A perfect resource for your chapter's programming.

Here is a small sample of programs in the portfolio:

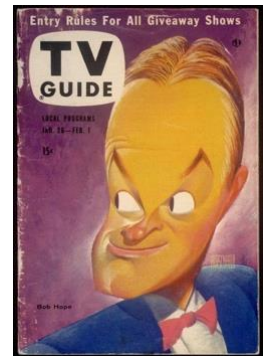

Ted Talks

The leader will choose the first Ted Talk and members will watch at home at their convenience. Ted Talks can be found on YouTube or Ted.com. Participants will then meet once a month to discuss that month's talk. Add a good snack and you'll be ready for a lively discussion!

Bob Hope Collection

Need a good laugh? Gather with other BNC members to watch the Bob Hope Collection of Vintage shows which include USO shows. Find these gifts of laughter at the Library of Congress or Internet Archive, a non-profit library of millions of free books, movies, music and more.
