

# Nominations for Teaching Awards

Brandeis students, faculty, and alumni are invited to nominate outstanding professors for the Jeanette Lerman-Neubauer '69 and Joseph Neubauer Prize for Excellence in Teaching and Mentoring, which honors an individual who is involved in the co-curricular and extracurricular life of the campus, and more importantly, has had a significant impact on students' lives as an exceptional teacher, mentor, advisor and friend. Lerman-Neubauer Prize recipients in the past competitions have been tenured, full time members of the faculty. The award carries a stipend of \$5,000.00 and will be presented at the April 14th faculty meeting.

Nominations are also invited for two other teaching awards with stipends of \$1000.00, also announced at the April faculty meeting: the Michael L. Walzer '56 Award for Teaching (for tenure track faculty) and the Louis Dembitz Brandeis Prize for Excellence in Teaching (for tenured or contract faculty).

All past award winners are listed on line at:
