

DCC Meeting Summary: November 4, 2009

The DCC met together with the Chairs of the 4 School Councils, to discuss the overall process for review of the AY 2010-11 curriculum. Reports from Department and Interdepartmental Program Chairs are due in the Dean's office of December 1. It was agreed that each Council should review and discuss the plans submitted by their constituent members. It will be left up to each Council to decide for itself what aspects of the plans they wish to discuss, and on which (if any) they wish to provide input to the Dean and the DCC regarding choices and priorities. To accommodate this review, the Department Chairs' meeting previously scheduled for Dec. 3rd will be moved to December 10, and shortened to 30 minutes, leaving the time from 1:30 to 3 PM for the Councils to meet and begin their discussion of the curriculum plans.
