

## **DCC Meeting Summary: December 2, 2009**

On December 2nd, the DCC discussed its process and involvement for reviewing the overall proposed 2010/11 curriculum. Committee members will review the narrative texts (except for confidential sections) and three year plans provided to the dean by department and program chairs. They will provide consultation on low enrollment courses, enrollment caps, coordination of potential overlaps and gaps, adjunct hiring, and tenure-track searches.
