

Comments from student nominators include:

“I have never experienced a teacher as friendly and approachable as Professor Fair. Professor Fair’s smart and funny approach to this class made it a pleasure to put in the time and effort.”

“Tory is a great instructor and is able to communicate with all types of students, from pre-med to economics majors.”

“She inspires, and encourages creativity and personal growth!”

“She made sure the class wasn’t about the product but the learning process.”

“Tory encourages students to find their own way of enhancing their own creative visions.”
