

Comments from students who nominated him include:

"Isaac Krauss cares about every single one of his students. Not only does he excel at teaching large lecture classes, he is a fantastic mentor to students."

"Professor Krauss did a great job of stimulating interest in a daunting subject. Dr. Krauss's lectures far surpassed anything a textbook could convey."

"He seems to really love the material he teaches."

"His passion for organic chemistry and teaching really made this course my favorite class of the semester."
