DRIVING TO BRANDEIS:

From the Massachusetts Turnpike (Interstate 90) Eastbound:
Take exit 14 for I-95/Rt 128. After the toll, keep left for 95/128 North. Keep right on ramp and exit immediately onto exit 24 for Route 30. At the light, turn left onto Route 30. Turn right at the first traffic light onto River Road. Follow this for 1.5 miles, where it turns into South Street. Brandeis is 0.5 miles ahead on left of South Street.

From the Massachusetts Turnpike (Interstate 90) Westbound:
Take exit 15 for I-95/Rt 128 and Route 30. After the toll proceed straight for Route 30. Turn right at end of the ramp, and then right again at the first traffic light onto Route 30. Turn left at the next traffic light onto River Road. Follow this for 1.5 miles, where it turns into South Street. Brandeis is 0.5 miles ahead on left of South Street.

From I-95/Route 128 Southbound:
Take exit 24 for Route 30. At the end of the ramp, proceed through the traffic light (across Route 30). This is River Road (River Road becomes South Street), and Brandeis is two miles ahead on the left.

From I-95/Route 128 Northbound:
Take exit 23-24-25 for Route 30/1-90. Route 30 is one of several options at this exit, so follow signs carefully. Bear left to stay on exit 24-25 for 95N/MA30. Take exit 24 for Route 30 on the right, following the merging lane of traffic. At the light, turn left onto Route 30. Turn right at the first traffic light onto River Road. Follow this for 1.5 miles, where it turns into South Street. Brandeis is 0.5 miles ahead on left of South Street.

From Main Street/Route 20 West:
Once you pass the traffic light at Moody Street, look for the Shell gas station and make a slight left just before the station onto South Street. Brandeis is about one mile ahead, on the right.

WHERE TO PARK:
See included map 1

Turn from South Street into the Brandeis main entrance. From the main entrance, take a right onto the main Loop Road and go straight up the hill. On the left you will see a large stone building (Usen Castle). The road will curve to the left around the castle. Immediately after the castle, take a very sharp left (it is a hairpin turn), which will take you around the front of the
castle. Take your first right up the driveway to a small parking lot. There is a gate and call box at the entrance to the parking lot where you will be asked to give your name. Push the speaker button to talk to an attendant in the parking office, give them your name and they will open the gate. Proceed into the parking area. The last two spots are designated as parking for Psychology Research Participants. Please park there. If those spots are not available, you can park in any of the other spots. Enter through the Schwartz Building entrance located at the end of the lot, facing the Usdan Student Center (a square façade will be on the side of the entrance). Follow the hallway, and you will enter Brown (which is attached). Take your first right, pass the Psychology Department office though the double doors, and the lab will be the third door on the left (room 117).

WALKING FROM THE COMMUTER RAIL (FITCHBURG LINE - BRANDEIS/ROBERTS) STATION:

See included map 2

From the train station, turn right onto South Street, walk over the hill, and enter through the main entrance to Brandeis on your left. From the main entrance, take a right on the main Loop Road and go straight up the hill. You will pass the Science Complex on your left. Take the first left after passing the complex before passing the Science Parking Lot, and bear right up the hill. At the top of the hill, you will see a large stone building (Usen Castle) on your right and the old Lemburg Building on your left. After the Lemburg building, turn left and follow the driveway up to a small parking lot. The Usdan Student Center will be to your right, the Brown Social Sciences Building and Schwartz Building (which are connected) will be to your left. Enter through the Schwartz Building entrance located at the end of the lot, facing the Usdan Student Center (a square façade will be on the side of the entrance). Follow the hallway, and you will enter Brown (which is attached). Take your first right, pass the Psychology Department office though the double doors, and the lab will be the third door on the left (room 117).

Please call the lab manager, Molly Bruzzese (781-736-3284), if you have questions or problems finding the lab.
