Are you a Spanish language student who would like to improve your skills? Are you going to study or returning from studying in a Spanish-speaking country? Are you interested in learning more about Hispanic culture? Then come to Charlamos, the Spanish language conversation group, every Thursday in Shiffman 124 from 6 to 6:30! We will be speaking informally in Spanish. Refreshments served.

Please contact this year’s President, Hope Turock (hcturock@brandeis.edu), if you have any further questions.
