

About the School

Brandeis International Business School (IBS) provides an education grounded in rigorous economic and financial theory and gives students the knowledge, skills and experiences they need to build rewarding lives as citizens and professionals in the global economy.

Brandeis IBS has a worldwide reputation for academic excellence. For the past two years, it has been ranked #1 in the U.S. by the Financial Times for pre-experience finance master's programs.

The school is part of Brandeis University, one of the world's leading research universities, and is located a short drive from Boston, Massachusetts, one of the most vibrant cities in the country for finance, healthcare, biotechnology and innovation.
