DECORATE YOUR FLAG!

It’s such a great time in the year for graduate students to show the Brandeis Community where they are from! Come and participate in the “I am Global Week” at the Graduate Student Center.

Graduate students can create and decorate their country’s flag. We will have blank templates and all the supplies you need to represent your country.

All completed flags will be laminated and added to decorate the walls at the Student Center!

TIME: 5-10pm
VENUE: Graduate Student Center, Kutz Hall.
DATE: November 16th, 2015.

……..we will have drinks and snacks available during the program!
