MOVE THE NEEDLE ON YOUR CAREER

Graduate Professional Studies is a division of the Rabb School, one of four graduate schools at Brandeis University. By keeping a pulse on today’s most innovative industries, our programs and courses deliver:

- High-quality course content designed specifically for online learning
- Classes with an average class size of 12
- Experienced faculty who are active industry practitioners
- Meaningful professional connections with classmates and instructors
- The latest industry techniques and advances
- One-on-one advising

“As an online learner at Brandeis GPS, I found the coursework and support resources convenient and accommodating. In fact, I rarely felt as though my studies were an interruption. **What I learned was immediately applicable, and I continue every day to benefit from the understanding the courses gave me.**”

— Scott Paddock, GPS Student
OUR STUDENT BODY is a motivated, driven community of approximately 800 students representing 42 states and 10 countries. Our students’ ages range from 25 to 60+ years old.

INDUSTRY
The adjunct faculty who teach our courses are leaders in their fields and bring an array of relevant experiences and connections to their classrooms. As working professionals themselves, they understand our students’ needs and schedules.

Our programs are shaped by professional advisory board members who capture the latest best practices from their respective industries. Instructors and advisory board members represent more than 150 organizations nationwide, including:
- Amgen
- Bank of America
- Boston Consulting Group
- EMC
- IBM
- Merck
- Oracle Corporation
- Rapid7

QUICK FACTS ABOUT BRANDEIS GPS
- **Take courses year-round** with 10-week sessions starting in July, October, January and April
- **Take courses for professional development**: no application necessary
- **Complete your program at your own pace** within 2.5 to five years
- **Don't worry about the GRE or GMAT**: these scores are not required for admission

GPS PROGRAM BENEFITS
- ✅ Career investment
- ✅ Professional development
- ✅ Industry connections
- ✅ Networking opportunities
- ✅ Flexible online options

WHY GPS
- Convenient, flexible, fully online
- Seminar-style classes
- Average class size of 12
- Faculty from industry
- Professional connections
- One-on-one advising
- Marketable skills
- No set meeting times
- GRE/GMAT not required
