WHY GPS?

Industry driven. Small by design.

- Experience Brandeis standards of excellence
- Engage in online classes that are capped at 20 students
- Learn from industry practitioners
- Create meaningful professional connections in your field
- Apply the latest industry techniques
- Receive personal student support

“As an online learner at Brandeis GPS, I found the coursework and support resources convenient and accommodating. In fact, I rarely felt as though my studies were an interruption. What I learned was immediately applicable, and I continue to benefit every day from the understanding the courses gave me.”

— Scott Paddock, GPS Student

WHY THIS PROGRAM?

Are you interested in making wiser investments in information security infrastructure?

Developed for leaders of cyber teams seeking to advance information security advancements, this program will equip you to:
