WHY THIS PROGRAM?

Industry driven. Small by design.
- Experience Brandeis standards of excellence
- Engage in online classes that are capped at 20 students
- Learn from industry practitioners
- Create meaningful professional connections in your field
- Apply the latest industry techniques
- Receive personal student support

“As an online learner at Brandeis GPS, I found the coursework and support resources convenient and accommodating. In fact, I rarely felt as though my studies were an interruption. **What I learned was immediately applicable, and I continue to benefit every day from the understanding the courses gave me.**”

— Scott Paddock, GPS Student
