Please submit a letter evaluating the above applicant for GSA Travel & Research Grants—the quality of the student’s graduate work (and how this student compares with others in your program), the significance of the research proposal, and the merits of the specific request for funding. Please return the letter in a sealed enveloped (signed across the back) to the student who will submit your letter with the rest of his/her file.

Please be sure that the applicant receives your letter before the **February 22, 2010 application deadline** so that it can be properly weighed by the selection committee.
