

March 28, 2013

Dear Incoming Brandeis Graduate Student:

You are cordially invited to attend House Hunting Days 2013. The 2013 session will begin July 30th – August 2nd. The deadline to register will be June 30th, 2013. Please register early as space is limited.

House Hunting Days is an intensive program to assist new graduate students in finding housing and a roommate over the course of 4 days. It is our expectation that you will have a signed lease and a place to stay for the coming academic year by the end of the event. During the event, new students are provided with housing in University residence halls while they search the local area for places to live. In addition, The Graduate Center will supply House-Hunters with maps of the area, lists of realtors and landlords seeking tenants, local telephone and internet access for conducting your search, directions for how to use public transit, and other information you may need. In past years, over 95% of those who have participated have found the apartment or the roommates they needed.

To register for House Hunting:

If you would like to attend our Event, please complete the registration form included and return it, along with the \$75.00 non-refundable registration fee, no later than June 30th. Registration forms will receive priority based on the order they are received. Only completed forms with the deposit are processed.

To return forms, please send (along with check made out to "Brandeis University" for the amount of \$75.00) via snail-mail to:

During the event, Brandeis University will open accommodations for about 40 people. Beds, desks, and bathroom facilities will be provided for your stay. **However, please be aware that no cooking facilities and no linen supplies are available.** You will be responsible for supplying your own sheets, towels, pillows, etc. Also, due to limited space, we cannot accommodate spouses, companions, or children.

You are responsible for providing transportation to Brandeis for House Hunting Days. During your days here, public transportation will be available if you need it, but it is recommended that you bring a car if you can (even if you're not planning on having one to use during the year). Please be prepared to start and finish your search at this event.

Best,

Robin Mancini
