Focus on Careers:
MASTER OF ARTS IN TEACHING

Master of Arts in Teaching at Brandeis University offers various opportunities to become a successful and experienced educator, ready to meet the needs of today’s students in the current academic climate. The programs offered include Elementary Public Education, Jewish Day School Education, or Secondary Education (Middle and High School). Our graduate students take part in a unique one-year program with a focus on real life teaching experiences in the classroom. Students complete the program feeling confident in their teaching skills and well equipped to join the educational job market.

EMPLOYABILITY SKILLS

- Curriculum development
- Classroom/behavior management techniques
- Thorough understanding of pedagogy
- Knowledge of classroom culture
- Awareness of individual student needs
- Initial MA certification in teaching
- Optional additional certification in teaching students with disabilities
