**EMPLOYMENT**

97% of Brandeis 2014 graduates were employed or in graduate school within six months of graduation. 19% of Brandeis graduates enter the fields of health care, public policy, science research and biotech. Undergraduate students average **three internships** before graduation.

**ACADEMICS**

390+ undergraduate and graduate students major or concentrate in health and policy at Brandeis. Over 160 undergraduates have been published in peer-review faculty journals in recent years. 75% of Brandeis alumni who apply to health professions schools are accepted, more than **20% higher** than the national average.

**STUDENT INVOLVEMENT**

The Hiatt Career Center hosts **9 major career fairs and industry nights** each year, including the *Industry Night: Biotech, Health and Science*, which includes a case challenge, and a Virtual Career Fair in Biotech, Health and Science.

There are **over 260 active student-run clubs** on campus, including Amnesty International, Foundation for International Medical Relief of Children and Health Occupations Students of America.

**SELECT EMPLOYER PARTNERS**
