INDUSTRY NIGHT EVENT SCHEDULE

3:30 p.m.  Case Challenge & Attendee Registration
Pre-selected industry professionals bring their greatest challenge and Brandeis students solve it. Students divide into small teams of 4-6 and will work collaboratively to develop solutions to a case study. Teams present their solutions to industry experts who seek to help students develop.

6:00 p.m.  Welcome & Networking Kickoff
Hear from Hiatt Career Center staff about how to work a room, how to network and connect with representatives and much more.

6:30 p.m.  Industry Networking Rooms
Networking is divided into three different sections by industry: Public Health & Administration, Research and Products & Services. Join professionals in a dedicated networking section based on their primary career field/function or interest area. Ask questions about career paths, organizations, fields and job functions. All students and alumni are welcome regardless of major, class year or stage of career development.

7:00 p.m.  LinkedIn Photobooth
A photographer will be available during the networking reception to take a professional photo of you for your LinkedIn profile.
