(SBU) Adoptions: The Desk participated in CA's conference call with Hill staffers and U.S. adoption organizations, a move by CA to reach out to interested parties prior to the issuance of the State Department warning to prospective adoptive parents that adoptions begun now will not be completed before the September 1 expiry of the MOA. The call drew more than 30 participants and prompted a frank exchange of views on a wide variety of Vietnam adoption issues. CA plans for further dialogue with the Hill and adoption organizations next week.
