Course Description:
Nutrition is the science of food and its role in health and disease. This course will introduce the biological background to help students better understand everything from how we choose food to how our diet influences our wellbeing.

This course does NOT meet the requirements for the major in Biology unless it is taken before BIOL 15b (new listing for BIOL 22b).

Syllabus for the 2015 HSSP JBS
(June 1 to July 24: Mondays and Thursdays from 9:30-noon). (2.5 hours class, 2 times/week, 8 weeks, total 16 classes)

Classroom: To be assigned

Instructor: Dr. Elaine Lai, PhD. Office hours: after class or by appointment. 781-736–3152. Office: Bassine 406, Penthouse floor (P on elevator)
