## **Library & Technology Services H1N1 Recommendations for Faculty**

LTS recommends that faculty prepare for an H1N1 emergency by:

- becoming expert in online teaching tools (e.g. LATTE, mailing lists, and blogs)
- considering in advance how to use these tools in their instruction

### **Teaching Resources**

<http://latte.brandeis.edu/h1n1.html>

More information about teaching with existing online teaching tools during an H1N1 emergency.

### **Workshops**

<http://latte.brandeis.edu/workshops.html>

Hands-on workshops showing faculty how to take advantage of existing tools in LATTE.

### **Information about H1N1**
