- HT's provide workshops for student teachers, aides and families.
- 40 hours per week, classroom hours scheduled between 8 -6 pm. Staff meetings two evenings a month usually on Tuesdays.

THE PROGRAM:

- Opened in 1971, the Lemberg Children's Center (LCC) moved into a state-of-the-art childcare in 2014. The Center serves as a practicum site for Brandeis students of education. We have six classrooms, two each for infants, toddlers and preschoolers. LCC is known for having many adults in each preschool classroom creating very low ratios of adults to children. Staff includes consultants for OT, speech, behavioral needs and environmental education. Our routines include programming for social emotional learning, community building, celebrating diversity, loving literature, the arts, STEM, nature, environmental education, healthy lifestyles and working together. More than 40% of the children speak a language other than English at home. Open all year, 8-6 Monday – Friday.
- We are also the Boston Regional Training Center for the American Psychological Association's ACT Raising Safe Kids Program. This is a parent education and violence prevention program. Sponsor: *Wonders of Learning: Reggio in Boston*
