

A close-up portrait of Edward M. Kennedy, looking slightly to the left with a serious expression. He is wearing a dark suit, a white shirt, and a patterned tie. The background is a textured, light brown wall.

Growing up in the nation's most famous political family, rising to elective office, experiencing the deaths of his brothers and the tragedy at Chappaquiddick, running for the Presidency, mastering the Senate, Ted Kennedy has lived a remarkable and unique life
