

Sample Photo (Actual Size 8" X 28")

Capture the memories of those first moments on campus with a panoramic photograph of the entire class. The panoramic picture above is a reduction of the impressive color photograph taken during last year's orientation. Continuing this tradition the Class of 2014 will have its class portrait taken during *your* Orientation, which will be one of the few times that the entire class assembles together until graduation.

Ordering your photo is easy, simply order online at www.panfoto.com or complete this form. You can choose to have your photo matted and framed, laminated, or unframed. Whatever you select, your photo will be delivered in six to eight weeks and become a valued memento of these early days on campus.
