Want to do meaningful work? Become a well prepared teacher!

Presenting the Brandeis 10 Semester BA/MAT Program

☑ Begin your Master’s degree in the summer after your junior year.

☑ Complete your undergraduate work and earn a Master’s degree and a teaching license in four years and two summers.

☑ Choose from our two programs:

- **Middle/High School** - English, History, Math, Chinese, Biology, Chemistry, Physics, or Tanakh
- **Public Elementary** or **Jewish Day Schools** (with concentration in General Studies or Hebrew)
