WATCH Internships Available for Fall 2018

WATCH's mission is to help poor and immigrant residents of Waltham to get access to services and have a say in how things are done in our community. WATCH provides English class for immigrants, helps low income tenants find housing, educates tenants on their rights so they can organize for better conditions and more affordable housing. WATCH builds community by providing volunteer opportunities and a place where members can improve their own lives and help make a difference in Waltham.

Please note - all internships are unpaid and follow federal and state regulations for unpaid internships. No experience needed. Internships are at our office at 24 Crescent Street, Suite 201, Waltham. Transportation to and from WATCH is the responsibility of the intern.

1. Community Organizing - Voter Registration & Community Outreach Intern
   Background: WATCH wants to register 100 new voters to participate in the Fall Election. We are also working to get an affordable housing proposal passed by the City Council.

   Duties: Work with the Community Organizer with our voter registration and organizing drive with canvassing, tabling, and coordinating efforts with other community organizations. Intern will help by getting postcards and petitions signed and registering people to vote. Intern will help with turnout for events related to our affordable housing campaign, create marketing materials, write newspaper articles, and organize meetings with City Councilors. 5-20 hours/week
   Intern will gain experience in community outreach, door to door canvassing, volunteer mobilization, and project management.

2. Community Organizing- Research Intern
   Background: WATCH works to pass affordable housing proposals through the Waltham Community Preservation Committee and City Council to increase access to safe and affordable housing.

   Duties: Work with the Executive Director and Community Organizer to research options for affordable housing proposals, help draft affordable housing proposals, research the need for the proposal as well as develop plans for implementing the proposal. Intern will gain experience in research in a community setting, policy proposal development, and creating materials for outreach.

3. Housing Clinic- Mon and Thursday Evening Intern
   Background: The WATCH / Brandeis Housing Clinic helps hundreds of Waltham tenants a year to access community resources, resolve issues with landlords, understand their rights during an eviction, find emergency housing, get help for poor living conditions, and find affordable housing. The program is a partnership with Brandies Professor Laura Goldin and WATCH CDC.

   Duties: Intern will work in the Monday and/or Thursday clinic 7pm-8:30pm to help low income tenants apply for housing and other services, advocate for themselves with landlords, search for housing online, sign up for financial and other assistance, and get referrals for other community service. Training and onsite supervision and support provided. 3-5 hours/week.
This is a great opportunity for students who want experience in non-profit program management and direct client work. Spanish a plus but not required. Brandeis credit can be arranged for 2-4 credits. // Available School Years: First Year - Senior

4. Housing Clinic - Research, Data Management and Marketing
Background: The WATCH / Brandeis Housing Clinic helps hundreds of Waltham tenants a year to access community resources, resolve issues with landlords, understand their rights during an eviction, find emergency housing, get help for poor living conditions, and find affordable housing.

Duties: Intern will work with the Housing Clinic Coordinator to research new community resources for low income households, update our online community resource guide, develop materials/fact sheets for key resources, and enter client data into our online database. Intern will follow up with clients to see what progress they have made and can do some case management as described in Internship #8 above.

Brandeis credit can be arranged for 2-4 credits. // Available School Years: First Year - Senior

5. Adult Education ESL Lesson Planning
Background: WATCH teaches English to adult immigrants with weekly classes, a tutoring program, and conversation groups. Many of our students are not literate in their native language and require a special teaching approach. Our classes are run by volunteer co-teachers and volunteer aides who are supervised by our Program Manager. Our students come primarily from low income households with low wage workers making the majority of our population. Many of our students are Spanish speaking but we also have students from many other parts of the world. The English they learn is practical and based in their day to day lives. Students learn skills that will help them talk to their doctor, open a bank account, talk to their children's teachers, talk to clients at work, and improve their overall communication.

Duties: Work with Program Manager to prepare class lesson plans guided by a curriculum that includes practical, everyday use of language, conversation, reading, and writing.

Intern will gain experience working with the adult immigrant population, ESL curriculum development and lesson planning, and program management skills.
