1. Announcements and upcoming events:

   1.1 HSSP Meet the Majors: Thursday, September 18 from 8-9 PM in Polaris Lounge (North Quad)
   Come meet the professors and Undergraduate Department Representatives (UDRs) of one of the fastest growing and most exciting majors at Brandeis! UDRs will go over the basic requirements for the major and will be available for questions concerning major declaration, class selection, research and internship opportunities. See you there on September 18th at 8pm in Polaris Lounge! Trail Mix Bar will be open at 8pm!

   1.2 Project Plus One: Project Plus One seeks to strengthen health systems by implementing sustainable projects derived from pragmatism and compassion. We work with the Bairo Pite Clinic in Timor-Leste to assist with
long-term and respectful initiatives. We are not white saviors and we are not voluntourists. Our club is looking for passionate and committed members of any sort of background- we are not a bunch of wannabee pre-meds, but we hope to make meaningful change with the resources that are available to us.

We meet on Saturdays at 2 pm in the SCC in room 314. Hope to see you there! If you have any questions feel free to contact any of the board members:

Kathy Rivera - krivera7@brandeis.edu
Adele Huang - haiyan11@brandeis.edu
Sara Kramer - srkramer@brandeis.edu
Christa Caggiano - ccag@brandeis.edu

1.3 2015 Global Health and Innovation Conference: The 2015 Global Health & Innovation Conference will held on March 28-29, 2015, and annually convenes over 2,200 leaders, changemakers, students and professionals from all fields of global health, international development, and social entrepreneurship. There is an upcoming September 30th deadline for oral and poster abstracts. Students, as well as your faculty colleagues, may also be interested in submitting a social enterprise pitch abstract for oral presentations. The Global Health & Innovation Conference offers a wonderful educational experience, as well as a terrific opportunity to engage with other students and professionals within diverse global health fields.

2. HSSP in the news:
2.1 HSSP Alumni Jonathan Steinberg writes about the ethical use of unethical human research in the Rutgers Journal of Bioethics

2.2 Take a look at HSSPers’ blogs about their internships

4. Scholarships and Fellowship opportunities:
4.1 Stay tuned for funded fellowship opportunities with Hebrew Senior Life. The Heller School and Hebrew Senior Life have teamed up to offer a number of funded, competitive research fellowships to Brandeis students. Fellowships will focus on building knowledge, skills, and professional networks in the fields of healthy aging and long-term care.

5. Internship opportunities: Please see Internship Opportunities (1 update!)

If you have further questions about internships, please contact the HSSP Internship Instructor, Andy Hart.
For questions about HSSP events, please contact our HSSP UDRs: Flora Wang, Caitlin Buegeler, Danielle Nurick, or Emily Greenwald.

If you would like to provide information for the HSSP weekly newsletter, please contact the HSSP administrator, Kathryn Howell, or the Internship Instructor, Andy Hart.
