

**Brandeis University**  
**Major / Minor Change Request Form**  
**INSTRUCTIONS**

*Please use a separate form for each major or minor*

This form should be used by undergraduate students who wish to add, drop or change their major or minor or change their advisor. This form can be used as a worksheet, which allows students and Undergraduate Advising Heads to make note of suggested courses that the student should take to complete the major or minor.

Students who wish to declare, drop or change a major or minor should follow these steps:

1. Schedule an appointment with the Undergraduate Advising Head (UAH) for the major or minor that you wish to add, drop or change. You can find a list of [Undergraduate Advising Heads on the Academic Services website](#).
2. To prepare for your appointment, list the courses you've already taken in the table on page 2 and review your major/minor's requirements in the University Bulletin.
3. Meet with the UAH and discuss what you prepared. If applicable, bring syllabi for courses taken outside of Brandeis University to the appointment. If the UAH determines that a course can count towards a major/minor requirement, complete the online Petition to Request a Substitution for a Major/Minor Requirement which can be accessed here: <http://www.brandeis.edu/registrar/forms/transfer-credit.html>.
4. Some departments will electronically report the major/minor information or change of advisor to the Office of the University Registrar. Others will ask the student to bring a completed copy of this form to the Office of the University Registrar. Please note that this form will be accepted by the Office of the University Registrar only if signed by the department Undergraduate Advising Head.
5. Study Abroad: If you are declaring your majors/minors as a part of your study abroad application, please note that some departments have different faculty assigned to approve credit taken from abroad. Please see the following website for a list of current Study Abroad Liaisons: <http://www.brandeis.edu/acserv/abroad/applying/depts/index.html>.
6. **DO NOT** use this form to declare a major in Business, Biology, Computer Science, HSSP or Neuroscience.
