Time Conflict Form

Students on academic probation are obliged to attend all class sessions. Other students may attempt overlapping courses at their risk, and are responsible for all materials covered in class whether or not they are in attendance. The student's signature below acknowledges these obligations. The signature of both instructors signify that they are mindful of the time conflict, that they do not object to the student's plans, and that no irregularities or conflicts will arise from them in the administration of final examinations.
