Brandeis University
2017-2018 Noncustodial Parent Information Waiver Petition

Student Name: ____________________________ Date of Birth: ____________________________

Instructions

Brandeis University requires financial information from both natural parents to determine a student’s financial aid eligibility. This form is only to be submitted if you cannot obtain your CSS Noncustodial Parent Financial Aid PROFILE. If you have no contact with your noncustodial parent, you may request to waive this requirement. Once the Student Financial Services Appeals Committee reviews the submitted Petition, we will notify the student by mail. Response time will vary based on our volume of appeals at the time you submit your request, but you can expect a status update within 5 – 10 business days. Submission of this application does not guarantee that your request will be approved.

Based on the information provided in the Petition, we may require additional documentation, such as a written statement from a third party. Typically, these letters come from counselors, ministers and other professionals close to a student’s situation.

Types of waiver requests that may be considered:
- Documented abuse situations with your noncustodial parent.
- Legal orders that limit the noncustodial parent's contact with the student.
- No contact or support ever received from the noncustodial parent.

Examples of documents that may be required:
- Court documents or legal orders, as available.
- Third-party documentation - a written statement or letter from a counselor, a social worker, a teacher, or clergy who can certify to your situation. Statements from family members or attorneys will not be accepted.

Types of waiver requests that will not be considered:
- Noncustodial parent refuses to complete the form and/or contribute towards college expenses.
- Divorce decree states that the noncustodial parent is not responsible for the student's educational expenses.
