Session Agenda

- External Credits
- Academic Equivalency
- Residency
- Brandeis Summer School
- Summer Course Costs
- Enrollment: When and How
- Questions and Answers

External Credits used “For Purpose”

- Outside courses used only to address specific requirements and prerequisites
- No outside grades or credits added to Brandeis academic record
- Students must receive advance approval via petition
- Minimum Grade of B- necessary.
- Limit of 12 credit hours from all sources per summer
- Transcript of external academic work concludes the process

Academic Equivalency

- Rule 1: Brandeis University Registrar has final word on whether courses are equivalent
- Rule 2: Must have at least 37 hours of class contact
- Rule 3: Session can't be any less than 5 weeks in length.
- Rule 4: Content, as provided in syllabus, and academic qualifications of the instructor often reviewed at departmental level
- Rule 5: Current Accreditation by recognized agency

Residency

- How many semesters and course credits a student must complete at Brandeis in order to be awarded a degree
- Pathways to degree completion are detailed in the University Bulletin
