All Kosher alternates requested for the Faculty Club will be served on upscale plastic ware.

Cake Cutting
We will gladly cut and serve cakes provided by an outside vendor at no additional cost.

Liquor
Brandeis University holds the appropriate licensing to serve all alcohol on campus. In order to maintain this license trained and experienced staff must be present at each event to manage the service of alcohol in accordance with the Commonwealth of Massachusetts liquor laws. Brandeis University Catering will determine the appropriate number of bartenders to service your event.

Rental Fees
Please ask your event coordinator about our current rental fees. Social Events are contracted for five hours; one hour for cocktails and hors d’oeuvres followed by dinner and dancing for four hours. For cocktail receptions only, there is a four hour maximum. For events beyond the contracted time, overtime and labor charges will be applied based on your event end time. Wait staff fees are not included in the rental fees.

Billing
Billing for all events must be made in accordance with University policies. All deposits are NON-REFUNDABLE. The rental fee serves as the first deposit and must be received within two weeks of reserving the space. The next deposit of $3000.00 must be received with the completed signed contract within two weeks after receipt of the contract. 6.25% Massachusetts Meal Tax and the estimated bar bill must be received upon submission of the guarantee, five working days prior to the event. After your event, you will be billed the remaining beverage costs and any excess charges. Prices in this booklet are subject to change. Menu prices are guaranteed three months prior to the event. All served events requesting multiple entrée options for their guests, not including vegetarian option, will be charged a $3.00 fee per person, per entrée.
Guarantees
Brandeis University requires the exact number of guests needed by noon, five working days prior to the event. If your guest count increases or you make changes to an existing menu less than five (5) business days in advance of your event, late fees will be applied to your bill. Your final invoice will be based on the guaranteed guest count number provided or the number of guests in attendance at the event, whichever is greater. We understand that last minute cancellations are occasionally unavoidable. We will work with you to minimize your charges, but you will be responsible for any costs incurred by the Catering Department up to the time of cancellation.

Service
Wait staff are included in the Package Price for a five hour service period. Extended event, setup and/or breakdown requirements will be billed for wait staff at $25.00 per hour, per staff member.
Bartenders are required for all events featuring a bar and are billed an additional $175.00 for a five hour service period. Additional service hours are billed at $30.00 per hour, per staff member.
To ensure the smooth running of your event, appropriate staffing is arranged by the catering department. Our general guidelines for staffing are as follows:
- Full Open Bar – Bartender per 75 guests
- Butler Passed Hors D’oeuvres – 1 Wait Staff per 30 guests
Your Event Specialist may offer suggestions based on your specific event and clientele.

Floor Plans
The Faculty Club Dining Room will accommodate 150 guests with a dance floor. The Sherman Function Room in the Hassenfeld Conference Center will accommodate 200 guests with a dance floor. A floor plan indicating the number of guests to be seated at each table is required at least three working days prior to the event.
