MESSAGE FROM YOUR PRESIDENTS

We just completed our first semester as Co-Presidents of the Brandeis Chapter of Middlesex County. Our Chapter is one of the outstanding chapters in the NJ Region as well as nationally.

Going forward our new fundraising campaign will be Honoring Our History: Transforming Unique Collections Highlighting Social Justice. BNC has existed to support Brandeis University in fulfilling its founding principles of access, inclusivity and tolerance since 1948. In conjunction with President Ron Liebowitz’s Framework for Our Future, Honoring Our History will strive to fulfill these founding principles by supporting digitization of the Brandeis Library’s unique collections highlighting social justice. Additionally, we will continue to support the Sustaining the Mind Fund. In 2018-2019 our chapter raised over $29,000 toward The Magnify the Mind Campaign. Nationally over $900,000 was raised. We offer a multitude of Study Group activities, with varied, exciting, fun trips as well as lectures on educational subjects. Our Social Justice / Community Services Program continues with outreach programs and monthly collections for a dozen local charities.

A very successful See You in September Fall Membership Luncheon was held, and we are looking forward to our Spring Book and Author Luncheon, as well as a New Member Event. Our thanks go out to our board members as well as all the women and men who embrace and plan our varied cultural Study Groups and trips. We invite all of you to actively participate, utilizing your areas of expertise and interests. Friendships that last a lifetime are created from involvement in our chapter.
