***Enlightenment* — Sun Ra/ arr. Schaphorst (1959)**

The sound of joy is enlightenment

Space, fire, truth is enlightenment

Space fire, sometimes it's music, strange mathematics, Rhythmic equations

The sound of thought is enlightenment

The magic light of tomorrow

Backwards, are those of sadness, forward and onward, are those of gladness

Enlightenment is my tomorrow

It has no planes of sorrow

Hereby, our invitation

We do invite you

Be of our Space world

DON'T MISS A BEAT.
