Dear Student

Welcome to the community. We certainly hope that you find your college experience to be productive and rewarding and that you enjoy your stay here in Waltham. Realizing that this may be the first time you are living away from home, we would like to make you aware of the following complaints that we have received from neighbors in the past. These complaints are regarding issues that are prohibited by local ordinances:

1. Trash put out on the curb several days prior to pickup.
2. Trash NOT stored properly (in proper containers) for pickup.
3. Letting trash pile up and then placing curb side for pickup.
4. Putting electronic equipment curb side. Read calendar published by the Recycling Department to find out how to discard this material.
5. Parking motor vehicles on ‘untreated land’ (lawns, sidewalks etc.).
7. Public Drinking
8. Leaving cats and other small pets behind upon vacating the property.

We hope that the attached information will be of some assistance to you in maintaining a good quality of life environment for you and your neighbors.

Once again, good luck and welcome to Waltham
