Hiatt helps students identify who they are, what they want and how to get there.

Think of us as your GPS - helping to guide you towards your desired destination with you in the driver’s seat.
“Career” is more than finding one job or making one decision.
Career intersects with many areas of life, and is shaped by:

- Changing Interests
- Unexpected Events
- New opportunities
More than half of all students visit us in their first year.
Appointments
In person or Zoom

HA (Hiatt Advisor) Express Appointments
In person
Transition to college and exploring and preparing for career paths of interest
Encourage Exploration

Think about how many types of roles and industries exist!

• How do you know what’s out there?
• What’s important in a career?
• What environments do you like?

Test and Try Out Assumptions

Discover, prototype and iterate ideas

• How do you learn what you’re good at?
Acknowledge Changing Interests

It’s common to change a focus, majors, or interests

- What foods do you like now that you didn’t when you were a kid?
- What types of jobs exist now that didn’t 25 years ago?

Facilitate Connections

With interests and people!

- Help your student connect the dots and find patterns in their interests
Where to start? Help them get involved

Experience comes from everywhere

Clubs, part-time jobs, volunteer opportunities they are all going to help give them information as the connect their majors to careers.

Key resources also help students make connections and get involved.
Resources for Students
Type Focus helps students explore preferences, discover values, skills, and interests to help connect them to a range of fields.

- Explore Majors and Careers
- Become Career-Ready
- Jobs and Internships
- On the Job

Identity at Work

The Hiatt Career Center supports Brandeis undergraduate students and alumni of all affiliations, backgrounds, identities and preferences in considering how intersecting identities might impact work and professional development.

Every job seeker is unique and we recognize that your skills, values, background and interests are most valuable to you in a working environment. The Hiatt Career Center is committed to helping you transition into the workforce by equipping you with resources that further enhance the career development of you, the individual, that may identify in a specific community or group.

Find Where Brandeisians Go

Graduates find open doors all around them, and our alumni — from CEOs, to heads of state, to Pulitzer Prize winners — have distinguished themselves in virtually every field.

Beyond Brandeis Interactive Dashboards

Employment by Industry: See where Brandeisians work after graduation

Advancing Education: One-third of graduates go directly to graduate school

Location: Explore where graduates are living and working across the country and world

Major to Industry: Discover the path between a graduates' major and career

Internships

Temporary positions for students that provide the opportunity to learn and gain hands-on experience.

Most students start to explore internships in their second year.

Class of 2019
87% of students reported at least 1 experiential experience (internships, on-campus job, research with a faculty member, thesis, or fellowship).

Students averaged 2.4 internships, with 72% completing one before they graduated 44% engaged in research with a faculty member.
Career Questions for Your Students:

- What classes or subjects have you been surprised by?
- How have you pick clubs or organizations to get involved in?
- Have you found a mentor on campus?
- What are you thinking now about what you might do after Brandeis?
- How do you see your classes or activities connecting to what you’re thinking for after Brandeis?
- Did I ever tell you how I got my first job/chose my major?
- Who do you want to meet? What types of work or people would you like to learn more about?
Don’t Get Stuck In Career Thoughts

- Too narrow
- Only 2 ideas
- Stuck in a loop
