CAREER OUTCOMES 2015

Brandeis International Business School (IBS) prepares students for global careers in business, finance and economics.

IT STARTS WITH GREAT INTERNSHIPS

Students engage in career course work before arriving on campus, refine skills with a personalized career coach and finish their first semester ready to secure competitive summer internships in leading companies and emerging start-ups around the world.

According to our 2015 employer survey, 100% of employers said they would hire another Brandeis IBS intern in the future.

THE ROAD TO WORLD READY

Our Career Strategies Center provides access to a wealth of resources on campus, in Boston and around the world, including:

World Ready Career Builder
Our pre-semester course work enables students to master critical career skills prior to arrival at Brandeis IBS, including specialized resumes, elevating your personal brand and networking. Students are also introduced to leading industry job search tools.

Customized Opportunities
We provide access to national career fairs, host employer panels and connect students to leading recruitment networks. We make career development accessible through career-travel stipends and support for student-led start-ups.

Industry Experts
A robust mentorship program, alumni speaker series, an entrepreneur’s forum and employer spotlight sessions bring expertise from the field to students in our programs.

Global Network
Nearly 50,000 Brandeis alumni in over 150 countries form an impressive network in addition to established employer relationships through the business school alone.

Practical Training
Career education is critical, so we invest in the best. Mock interviews, personalized coaching sessions and specialized training workshops prepare graduates for effective career searches.

Direct Connections
Industry treks enable students to meet with employers in the world’s leading business centers. From Hong Kong to San Francisco, Toronto, New York and Washington D.C., our global footprint of treks continues to expand.

“Our [Brandeis IBS] intern is one of the best we’ve ever had — very bright, extremely organized and efficient. We feel very fortunate to have her with us.” — TLE Consulting Group
BUILDING A GLOBAL CAREER

The Career Strategies Center partners with our students to empower them with the tools they need to be successful. Our students are engaged, interested in and actively seeking companies where they can have a positive impact from day one.
