BRANDEIS INTERNATIONAL BUSINESS SCHOOL

CAREER OUTCOMES 2016

Brandeis International Business School (IBS) prepares students for global careers in business, marketing, finance and economics.

IT STARTS WITH GREAT INTERNSHIPS

Students engage in career course work before arriving on campus. They refine skills with a personalized career coach and finish their first semester ready to secure competitive internships in leading companies and emerging startups around the world.

100% of first-year students actively pursuing an internship obtained one in 2016.

According to our 2016 employer survey, 100% of internship supervisors said they would hire another Brandeis IBS student in the future.

THE ROAD TO WORLD READY

Our Career Strategies Center provides access to a wealth of resources on campus, in Boston and around the world, including:

- **World Ready Career Builder**
  Our online summer pre-work enables students to arrive at Brandeis IBS with a specialized resume and an introduction to our job and internship search tools.

- **Customized Opportunities**
  We provide access to national career fairs, host employer panels and connect students with leading recruitment networks. We make career development accessible through career-travel stipends and support for student-led startups.

- **Global Network**
  Nearly 50,000 Brandeis alumni in over 150 countries form an impressive network in addition to established employer relationships through the business school alone.

- **Practical Training**
  Career education is critical, so we invest in the best. Mock interviews, personalized coaching sessions and specialized training workshops prepare graduates for effective career searches.

- **Industry Experts**
  A robust mentorship program, alumni speaker series, an entrepreneur’s forum and employer spotlight sessions bring expertise from the field to students in our programs.

- **Direct Connections**
  Industry treks enable students to learn from employers in the world’s leading business centers. Our trek cities include Hong Kong, Los Angeles, San Francisco, New York, Chicago, Toronto, Washington, D.C. and Dublin.

“Our [Brandeis IBS] intern is one of the best we’ve ever had — very bright, extremely organized and efficient. We feel very fortunate to have her with us.” — TLE Consulting Group
BUILDING A GLOBAL CAREER

The Career Strategies Center partners with students to empower them with the tools they need to be successful.
