

Have you established beneficiaries for your retirement plan with Fidelity?

It's important to set your beneficiary designations. Without beneficiary designations, in the event of your death, benefits will be paid according to plan rules, which may differ from the designation you would choose.

Simply scan the QR code below to name or review your beneficiaries in NetBenefits today!

To navigate to your beneficiary designations online:

1. Log in to Fidelity NetBenefits® at www.netbenefits.com.
2. Click the *Profile & Settings* icon (👤).
3. Select *Beneficiaries* and follow the online instructions.
