Note: Certain employees (Leased Employees and residents of Puerto Rico) are excluded automatically pursuant to Section 2.31, regardless of any selections in Election 1.04(d).

 - (A) **Flat Percentage Match.** If the Employer decides to make a discretionary Matching Employer Contribution for a Contribution Period, the Employer shall contribute a specified percent of each “eligible” Participant’s Compensation contributed to the Plan. The Employer may limit the eligible contributions taken into account under the allocation formula to contributions up to a specified percentage of Compensation or dollar amount and/or may limit the amount of discretionary Matching Employer Contributions received by each Participant to a specified percentage of Compensation or dollar amount.
 - (B) **Tiered Percentage Match.** If the Employer decides to make a discretionary Matching Employer Contribution for a Contribution Period, the Employer shall contribute “A” percent of the first “X” percent of each “eligible” Participant’s Compensation contributed to the Plan, “B” percent of the next “Y” percent of each “eligible” Participant’s Compensation contributed to the Plan, etc. The Employer may limit the eligible contributions taken into account under each tier of the allocation formula to contributions up to a specified percentage of Compensation or dollar amount and/or may limit the amount of discretionary Matching Employer Contributions received by each Participant to a specified percentage of Compensation or dollar amount.
 - (C) **Matching Employer Contribution Formula based on Participant Groups.** Differing discretionary Matching Employer Contribution formulas apply for various groups of “eligible” Participants as described in the Matching Employer Contributions Addendum. (Elections (A) and/or (B) shall be repeated in the Matching Employer Contributions Addendum and the Notes below shall apply. Each group must be definitely determinable.)

Note: *If the Matching Employer Contribution made in accordance with Election 1.11(a)(2) matches different percentages of contributions for different groups of “eligible” Participants, the group of “eligible” Participants benefiting under each match rate must satisfy the nondiscriminatory coverage requirements of Code § 410(b) and the group to whom the match rate is effectively available must not substantially favor HCEs, to the extent applicable to the Plan. Each group of “eligible” Participants must also be clearly defined in a manner which would not violate the definite predetermined allocation formula requirement of Treas. Reg. § 1.401-1(b)(1)(ii), if*

applicable. The Employer must notify the Administrator in writing of the amount of such Matching Employer Contributions being given to each such group.

Note: *If the Matching Employer Contribution made in accordance with Election 1.11(a)(2) is made to Participants who are receiving Safe Harbor Nonelective Employer Contributions or Safe Harbor Matching Employer Contributions, in order to satisfy the safe harbor contribution requirement for the “ACP” Test, the dollar amount of the discretionary Matching Employer Contribution made on an “eligible” Participant’s behalf for the Plan Year may not exceed 4% of the “eligible” Participant’s Compensation for the Plan Year.*

Note: *A Contribution Period other than the Plan Year may require a true-up Matching Employer Contribution.*

- (3) **Safe Harbor Matching Employer Contributions.** As described in Section 6.08(b)(1), the Employer shall make a Safe Harbor Matching Employer Contribution on behalf of each “eligible” Participant as described below: *(Do not select if the Plan is a Non-ERISA Plan. Select (A) or (B). Select (C) or (D) only if Election 1.07(d)(3), QACA, is selected. Select (E) and/or (F) if applicable.)*
- (A) **Basic Safe Harbor Matching Employer Contributions.** 100% of the first 3% of the “eligible” Participant’s Compensation contributed to the Plan and 50% of the next 2% of the “eligible” Participant’s Compensation contributed to the Plan.
- (B) **Enhanced Safe Harbor Matching Employer Contributions.**
 _____% of the first _____% of the “eligible” Participant’s Compensation contributed to the Plan

Note: *The Enhanced Safe Harbor Matching Employer Contribution formula must meet the following requirements: (1) at any rate of Deferral Contributions, a Participant receives a Matching Employer Contribution which is at least equal to the match the Participant would receive under the Basic Safe harbor Matching Employer Contribution formula; (2) the rate of match does not increase as the rate of Deferral Contributions increases; (3) no Matching Employer Contributions are made with respect to Deferral Contributions or Employee After-tax Contributions in excess of 6 % of Compensation; and (4) for any Highly Compensated Employee, Matching Employer Contributions are not made at a greater rate than that for any Non-Highly Compensated Employee at the same level of Deferral Contributions. If these requirements are satisfied, the Plan shall be exempt from ACP testing.*

Note: *The Safe Harbor Matching Employer Contributions selected in Election 1.11(a)(3)(A) or 1.11(a)(3)(B) shall be immediately 100% Vested.*

- (C) **QACA Safe Harbor Matching Employer Contributions.** 100% of the first 1% of the “eligible” Participant’s Compensation contributed to the Plan and 50% of the next 5% of the “eligible” Participant’s Compensation contributed to the Plan. *(Select only if Election 1.07(d)(3), QACA, is selected.)*
- (D) **QACA Enhanced Safe Harbor Matching Employer Contributions.** *(Select only if Election 1.07(d)(3), QACA, is selected.)*
 _____% of the first _____% of the “eligible” Participant’s Compensation contributed to the Plan

Note: *The QACA Enhanced Safe Harbor Matching Contribution formula must meet the following requirements: (1) at any rate of Deferral Contributions, a Participant receives a Matching Employer Contribution which is at least equal to the match the Participant would receive under the QACA Safe Harbor Matching Employer Contribution formula; (2) the rate of match does not*

increase as the rate of Deferral Contributions increases; (3) no Matching Employer Contributions are made with respect to Deferral Contributions or Employee After-tax Contributions in excess of 6 % of Compensation; and (4) for any Highly Compensated Employee, Matching Employer Contributions are not made at a greater rate than that for any Non-Highly Compensated Employee at the same level of Deferral Contributions. If these requirements are satisfied, the Plan shall be exempt from ACP testing.

Note: The QACA Safe Harbor Matching Employer Contributions selected in Election 1.11(a)(3)(C) or 1.11(a)(3)(D) may be subject to a vesting schedule. See Election 1.16(c).

- (E) **Contribution Period.** As permitted by Sections 5.08(e) and 6.08(d), the Contribution Period for purposes of calculating the amount of Safe Harbor Matching Employer Contributions shall be the following, instead of the Plan Year: *(Select (i), (ii), (iii) or (iv).)*

- (1) **Flat Percentage Match.** If the Employer decides to make additional Matching Employer Contributions, the Employer shall contribute a specified percent of each “eligible” Participant’s Compensation contributed to the Plan. The Employer may limit the eligible contributions taken into account under the allocation formula to contributions up to a specified percentage of Compensation or dollar amount and/or may limit the amount of additional Matching Employer Contributions received by each Participant to a specified percentage of Compensation or dollar amount.
- (2) **Tiered Percentage Match.** If the Employer decides to make additional Matching Employer Contributions, the Employer shall contribute “A” percent of the first “X” percent of each “eligible” Participant’s Compensation contributed to the Plan, “B” percent of the next “Y” percent of each “eligible” Participant’s Compensation contributed to the Plan, etc. The Employer may limit the eligible contributions taken into account under each tier of the allocation formula to contributions up to a specified percentage of Compensation or dollar amount and/or may limit the amount of additional Matching Employer Contributions received by each Participant to a specified percentage of Compensation or dollar amount.
- (3) **Matching Employer Contribution Formula based on Participant Groups.** Differing additional Matching Employer Contribution formulas apply for various groups of “eligible” Participants as described in the Matching Employer Contributions Addendum. *(Elections (1) and/or (2) shall be repeated in the Matching Employer Contributions Addendum and the Notes below shall apply. Note: *If the additional Matching Employer Contributions made in accordance with this Election 1.11(b) matches different percentages of contributions for different groups of “eligible” Participants and the Plan is an ERISA Plan, the group of “eligible” Participants benefiting under each match rate must satisfy the nondiscriminatory coverage requirements of Code § 410(b) and the group to whom the match rate is effectively available must not substantially favor HCEs to the extent applicable to the Plan. Each group of “eligible” Participants must also be clearly defined in a manner which would not violate the definite predetermined allocation formula requirement of Treas. Reg. § 1.401-1(b)(1)(ii), if applicable. The Employer must notify the Administrator in writing of the amount of such Matching Employer Contributions being given to each such group.*

(c) **Contributions Matched.** As described in Section 5.08(d), Regular Deferral Contributions described in Election 1.07(a) and, if applicable, Special Section 403(b) Catch-Up Contributions described in Election 1.07(b)(2) (both pre-tax and Roth 403(b) Contributions, if applicable) shall be matched at the applicable rate(s) described in Election 1.11(a) unless elected in (1) below. - (5) Other: _____ *(Specify time period or describe Contribution Period for nondiscretionary and/or discretionary Matching Employer Contributions, if not the same.)*

Note: *The Contribution Period for Safe Harbor Matching Employer Contributions is described in Election 1.11(a)(3)(E). The Contribution Period for additional Matching Employer Contributions is the Plan Year.*

Note: *If Option (1), (2) or (3) is selected above and Matching Employer Contributions are made more frequently than the Contribution Period selected above, the Employer must calculate the Matching Employer Contribution required with respect to the full Contribution Period, taking into account the “eligible” Participant’s contributions and Compensation for the full Contribution Period, and contribute any additional Matching Employer Contributions necessary to “true up” the Matching Employer Contribution so that the full Matching Employer Contribution is made for the Contribution Period, as described in Section 5.08(e)(2).*

- (e) **Continuing Eligibility Requirement(s) for “Eligible” Participants.** As described in Section 5.08(f), subject to any exceptions selected by the Employer in Elections 1.11 and/or 1.13 of the Adoption Agreement, a Participant who is an Active Participant and makes eligible contributions during a Contribution Period shall be entitled to receive the specified type(s) of Matching Employer Contributions under Election 1.11 for such Contribution Period if such Participant satisfies the following requirement(s): *(Select applicable requirements, but (3) and (4) may not be selected together and (5) may not be selected with (2), (3) or (4).)*

1.12 NONELECTIVE EMPLOYER CONTRIBUTIONS

Note: *Do not complete Section 1.12 if Election 1.01(b)(5)(B)(i), Safe Harbor Non-ERISA Plan, is selected.*

- (a) **Fixed Formula.** As described in Section 5.10, the Plan provides for Nonelective Employer Contributions on behalf each “eligible” Participant as provided in this Election 1.12. For purposes of this Election 1.12, “eligible” Participant generally means any Participant who is an Active Participant during the Contribution Period and who satisfies the requirements selected in Elections 1.04(a) and (b), 1.12(d) and 1.13, except with respect to Safe Harbor Nonelective Employer Contributions. *(Select (1), (2) and/or (3).)*

Note: *An Employer may select both a non-discretionary “fixed” formula in Election 1.12(a) and a discretionary formula in Election 1.12(b). If both are selected, the discretionary formula shall be treated as an additional Nonelective Employer Contribution and allocated separately in accordance with the allocation formula selected by the Employer.*

- (1) **Fixed Percentage Nonelective Employer Contribution.** The Employer shall contribute for each “eligible” Participant: *(Select (A) or (B).)*

- (A) _____% *(Cannot exceed 25%.)* of Compensation per Contribution Period.

Note: *Election 1.12(a)(1)(A) generally satisfies a design-based safe harbor allocation formula under Code §§ 410(b) and 401(a)(4), if applicable.*

- (B) Different fixed percentage contribution and allocation formulas apply for various groups of Participants as described in the Nonelective Employer Contributions Addendum. *(Election (A) above shall be repeated in the Nonelective Employer Contributions Addendum and the Note below shall apply. Each group must be definitely determinable.)*

Note: *Unless the Plan is a Governmental Plan or Church Plan, the group of “eligible” Participants benefiting under each formula rate must satisfy the nondiscriminatory coverage and contribution requirements of Code §§ 410(b) and 401(a)(4) and the group to whom the formula rate is effectively available must not substantially favor HCEs.*

- (2) **Fixed Flat Dollar Nonelective Employer Contribution.** The Employer shall contribute for each “eligible” Participant: *(Select (A) or (B).)*

- (A) \$ _____ per: *(Select (i), (ii) or (iii).)*

- (i) Each paid Hour of Service.
- (ii) Each Plan Year.
- (iii) Other: _____ (Describe criteria; if a unit of time, must be a period within the Plan Year that does not exceed one week and is uniform with respect to all “eligible” Participants.)

Note: Election 1.12(a)(2)(A) generally satisfies a design-based safe harbor allocation formula under Code §§ 410(b) and 401(a)(4), if applicable.

- (B) Different fixed flat dollar contribution and allocation formulas apply for various groups of Participants as described in the Nonelective Employer Contributions Addendum. (Election (A) above shall be repeated in the Nonelective Employer Contributions Addendum and the Note below shall apply. Each group must be definitely determinable.)

Note: Unless the Plan is a Governmental Plan or Church Plan, the group of “eligible” Participants benefiting under each formula rate must satisfy the nondiscriminatory coverage and contribution requirements of Code §§ 410(b) and 401(a)(4) and the group to whom the formula rate is effectively available must not substantially favor HCEs.

- (3) **Safe Harbor Nonelective Employer Contributions.** As described in Section 6.08(b)(2), the Employer shall make Safe Harbor Nonelective Employer Contributions as follows: (Do not select if the Plan is a Non-ERISA Plan. Complete (A). Select (B) and/or (C) if applicable.)

- (A) The Employer shall contribute an amount equal to _____% (Must be at least 3% and not more than 25%.) of Compensation on behalf of the “eligible” Participants.

- (B) As described in Sections 5.10(e) and 6.08(a)(3), the “eligible” Participants who shall receive Safe Harbor Nonelective Employer Contributions are described in the Nonelective Employer Contributions Addendum. (Must select if Election 1.07(d)(3), QACA, is selected.)

- (C) The Employer may decide each Plan Year whether to amend the Plan by completing (i) below to provide for a contribution on behalf of each “eligible” Participant in an amount equal to at least three percent (3%) of such “eligible” Participant’s Compensation for such Plan Year. (Select (i) if applicable.)

- (i) For the Plan Year beginning _____, the Employer shall contribute for each “eligible” Participant an amount equal to _____% (Must be at least 3% and not more than 25%.) of such “eligible” Participant’s Compensation for such Plan Year.

Note: If Election 1.12(a)(3)(C) is selected, the Employer must amend the Plan to select 1.12(a)(3)(C)(i) for the relevant Plan Year and complete the Amendment Execution Page no later than (1) 30 days prior to the end of each Plan Year for which Safe Harbor Nonelective Employer Contributions are being made, or (2) the deadline for correcting the ACP test (the last day of the subsequent Plan Year). If option (2) is used, the 3% of Compensation minimum for Nonelective Employer Contributions is increased to 4%.

- (4) **Other Fixed Nonelective Employer Contribution.** The Employer shall contribute a specified amount for each “eligible” Participant or at the Plan level as further described in the Nonelective Employer Contributions Addendum.

Note: *The following contribution formulas and applicable allocation methods are described in the Nonelective Employer Contributions Addendum, if applicable: **Fixed Integrated Employer Contributions** for “eligible” Participants, as described in Section 5.10(a)(3); **Former Employees with Deemed Includible Compensation** for “eligible” former Employees, as described in Section 5.10(a)(4); **Unused Accumulated Leave Conversion** for “eligible” former Employees with unused accumulated leave, as described in Section 5.10(a)(5); **Disabled Employees with Deemed Disability Compensation** for “eligible” Disabled Employees with Deemed Disability Compensation, as described in Sections 2.16(g) and 5.10(a)(6); **Prevailing Wage Contribution** for “eligible” Employees eligible to receive certain amounts under applicable prevailing wage laws, as described in Section 5.10(a)(7); **Collective Bargaining Agreement** for “eligible” Employees eligible to receive contributions under the terms of a collective bargaining agreement or other written document relating to the Employees of the Employer, as described in Section 5.10(a)(8); and/or another formula, as described in Section 5.10(a)(9).*

Note: *If the Plan is an ERISA Plan, each eligible group must be clearly defined in a manner that would not violate the definite predetermined allocation formula requirement of Treas. Reg. § 1.401-1(b)(1)(ii) and cannot be subject to the discretion of the Employer. In addition, the design of the classifications cannot be such that the only Non-Highly Compensated Employees benefiting under the Plan are those with the lowest compensation and/or the shortest periods of service and who may represent the minimum number of such employees necessary to satisfy coverage under Code § 410(b).*

Note: *The following Nonelective Employer Contribution formulas may be subject to applicable nondiscrimination testing: 1.12(a)(4) Service Weighted Nonelective Employer Contribution Formula, 1.12(a)(4) Age Weighted Nonelective Employer Contribution Formula, and 1.12(a)(4) Age and Service Weighted Nonelective Employer Contribution Formula.*

- (b) **Discretionary Formula.** As described in Section 5.10(b), the Employer may decide each Contribution Period whether to make a discretionary Nonelective Employer Contribution. Such amount shall be allocated to the accounts of “eligible” Participants as follows: *(Select (1), (2), (3) and/or (4).)*

- (1) **Non-Integrated Allocation Formula.** As described in Section 5.10(b)(1), Nonelective Employer Contributions shall be allocated in the ratio that the Compensation of each of the “eligible” Participants bears to the total Compensation paid to all such “eligible” Participants for the Contribution Period.

Note: *The non-integrated allocation formula generally satisfies a designed-based safe harbor under Code § 401(a)(4), if applicable.*

- (2) **Integrated Allocation (Permitted Disparity) Formula.** As described in Section 5.10(b)(2), Nonelective Employer Contributions shall be allocated as follows: (i) a percentage (but not less than 3%) of such “eligible” Participant’s Compensation, PLUS (ii) a percentage of such “eligible” Participant’s Compensation in excess of the “integration level” specified in (A). This percentage may not exceed the lesser of the percentage specified in (i) or the “permitted disparity limit” specified in (B). *(Do not select if the Employer maintains any other plan that provides for or imputes Social Security Integration (permitted disparity). Complete (A).)*

- (A) “Integration level” means 100 % of the Social Security taxable wage base defined in (C) below unless the Employer elects a lesser amount below: *(Select (i) or (ii) if applicable.)*

- (i) _____ % (Not to exceed 100%.) of the Social Security taxable wage base described in (C) below, rounded to the next highest \$ _____ (Leave blank if no rounding shall occur.)
- (ii) \$ _____ (Not to exceed the Social Security taxable wage base described in (C) below.)

(B) “Permitted disparity limit” means the percentage provided by the following table:

The “Integration Level” is ___ % of the Social Security Taxable Wage Base	The “Permitted Disparity Limit” is
20 % or less	5.7 %
More than 20 %, but not more than 80 %	4.3 %
More than 80 %, but less than 100 %	5.4 %
100 %	5.7 %

(C) The Social Security taxable wage base is the contribution and benefit base under Section 230 of the Social Security Act in effect on the first day of the Plan Year.

Note: The integrated (permitted disparity) allocation formula generally satisfies a designed-based safe harbor under Code § 401(a)(4), if applicable. However, Participants cannot be covered under two separate plans of the Employer which both use an integrated allocation formula.

(3) **Other Allocation Formula.** As described in Section 5.10(b)(3), Nonelective Employer Contributions shall be allocated as described in the Nonelective Employer Contributions Addendum. (Select if the allocation formula is not described above or multiple allocation formulas will be used for various types of Nonelective Employer Contributions and/or groups of Participants. Each group must be definitely determinable.)

(c) **Contribution Period.** As described in and subject to Section 5.10(d), the Contribution Period for purposes of calculating the amount of Nonelective Employer Contributions is generally the Plan Year, unless the Employer selects another Contribution Period below: (Complete (1), (2), or (3) if applicable.)

Note: The Contribution Period for purposes of calculating the amount of Safe Harbor Nonelective Employer Contributions under Election 1.12(a)(3) and Nonelective Employer Contributions allocated under an integrated formula selected under Election 1.12(b)(2) or pursuant to the Prevailing Wage Contribution described in Section 5.10(a)(7) shall be the Plan Year.

Note: A Contribution Period other than the Plan Year may require a true-up Nonelective Employer Contribution as described in Section 5.10(d)(2).

- (d) **Continuing Eligibility Requirement(s) for “Eligible” Participants.** As described in Section 5.10(e), subject to any selection(s) made by the Employer in Election 1.12 and/or 1.13 of the Adoption Agreement, a Participant who is an Active Participant during the Contribution Period selected in Election 1.12(c) shall be entitled to receive Nonelective Employer Contributions selected in Election 1.12(a) and/or 1.12(b) for the relevant Contribution Period only if the Participant satisfies the following requirement(s): *(Select applicable requirements, but Elections (3) and (4) may not be elected together and Election (5) may not be elected with Election (2), (3), or (4). Select (6) or (7) if applicable.)*

In addition, such superseding provisions may in certain circumstances affect the Plan's status as a pre-approved plan eligible for the 6-year remedial amendment cycle. Superseding provisions which alter only provisions governed by Title I of ERISA and solely administered by the Department of Labor shall not impact the ability of the Employer to rely upon the Pre-Approved Plan Provider's opinion letter. The Pre-approved Plan Provider cannot make this determination on behalf of the Employer.*
