I am very sorry to hear about what has happened. Yes, please send me a specific summary of your concerns and in particular the agency's involvement. We will forward it to the Government of Ethiopia, which has the authority to revoke agencies' licenses. We will also use it to see if there is a pattern with other cases from Hope. Hope is also Hague-accredited so you should file a complaint with the Hague Council on Accreditation – you should also send it to the state licensing agency.

Please keep in touch.

Sincerely, Abby Rupp
