

MATH MINOR CHECKLIST

Requirement for the Minor in Mathematics:

- ☐ **One** of: Math 15a (Linear Algebra) or 22a (Honors Linear Algebra)
- ☐ **One** of: Math 20a (Multivariable Calculus) or 22b (Honors Multivariable Calculus)
- ☐ Three additional semester courses, either MATH courses numbered 27 or higher or cross-listed courses in Mathematics. Only cross-listed courses in Mathematics and not in Applied Mathematics may be used. Most Math courses numbered 27 or higher require Math 23b as a prerequisite, but Math 35a, 36a, 36b, and 37a do not.

You can find the courses cross-listed with Mathematics here, scroll down to “MATH Cross-Listed” under “Courses of Instruction”.
