E. Notes

- * No individual course can count towards more than one requirement within the Neuroscience major
- ** Only one PHIL class can count as a neuroscience elective.
- ***NEUR 99A & NEUR 99B count as one elective taken together. The same is true for NEUR 199A & NEUR 199B.
- ****You cannot count BIOL 51a as an Add'l Elective if you are using either ECON 83a or PSYC 51a for your quant requirement.

Candidates for Neur 99 must petition the program committee during the fall of their senior year and submit a thesis. Candidates for the Senior Honors Program must also orally defend a thesis.
